You may want to see the Patriots win, you may want to see the Rams win, you may wish that both could somehow lose... or maybe you will be more interested in the commercials.

Feel free to support your favorite NFL team by sporting their colors the Friday before the big game.

During the Super Bowl era, the Rams have played in three Super Bowls, winning one.

Employee Spotlight

Meet Gil Kvatek! Gil has been working for Facility Services for nearly 8 years of what he calls "painting bliss". In high school, Gil claims that he did too many burn-outs in the parking lot and too much partying when he should have been studying. He enjoys listening to EDM, Funk and Metal music. We asked Gil what he would do if he suddenly became very rich and he said "keep painting, pay off all friends and family's debts, travel the world some and buy some toy vehicles like his friend Travis". In his spare time, Gil loves bass fishing and playing bag toss. Gil's favorite superhero is *Deadpool* because "we share the same sense of humor and whit". Gil loves all of the *Lord of the Rings* films and says that he would walk away from all he has in a second for Natalie Portman.

GIL KVATEK EMPLOYEE SPOTLIGHT:

Gil also enjoys solving crossword puzzles, reading fantasy books, long walks (though we have no beaches), any medium of artwork and fabricating things in his work shop and mostly, making the world a better place by utilizing his "mad" painting skills.

Not many people know that Gil served in the United States Army Reserves for 8 years as a Sargeant and misses those days of "shooting and blowing things up" as a combat engineer.

One thing is for certain, as an original member of T.E.A.M., Gil always takes his halloween costumes to the next level! They have always been very inventive.

Thanks very much for sharing your unique story with us Gil and enjoy that "painting bliss"!
