Employee Profile

Hi, My name is Brian Harvath, and my hometown is South Milwaukee. I've been working at UWSP for 5 years. Currently I am in recycling . My favorite food is baked chicken. The most interesting place that I've been is Vegas, and my favorite movie is Rocky. I enjoy bowling as a hobby. If I ever won a million dollars I would help brothers and my sister pay off bills, and have some fun with it.

All nominees must be permanent employees of Facility Services

After the Plunge

Thank you to everyone that donated money for the Special Olympics Polar Plunge, and the people that came to Sunnyvale Park to support our TEAM. Thanks to our UWSP Facility Services TEAM for “Freezin’ for a Reason”. They all raised enough money to “toss our boss”, Facility Director, Paul Hasler. Altogether we raised nearly \$2,200 for Special Olympics.

A special thank you to Eva for encouraging TEAM to join her in raising money for Special Olympics.
