## Employee Profile

Hi, My name is Patti Bembenek and my hometown is Wausau. I've been working at UWSP since April 2013 in Academic Custodial. I like watching my sons play sports. My favorite food is pizza, and my favorite movie is, The Mirror Has Two Faces. The most interesting place I've been is Texas. If I ever won a million dollars I would, replace the flooring in the wrestling room in the HEC building. Lol!

## Pay it forward!

Do something kind for your co workers. Buy a soda...help with a job...plug a parking meter... smile when you would rather frown. Give us feedback on your act of kindness and how it worked.
