“Here Kitty - Kitty!”

While inspecting images on his trail camera recently, Custodial Supervisor Steve Edseth noticed this picture of a rather large Bobcat.

Speaking of wildlife...

Ben, a friend of Facility Services Specialist Advanced, **Chris Leslie**, shot this 300 lb.+ black bear near Saxon Wisconsin with guide help from Chris.

"Old Faithful"!

The second College Bus, better known as "Old Faithful," arrived on campus in 1948. The campus purchased its first bus in 1933. After careful analysis, it was decided that owning a bus was more economical than continuing to rent one to transport athletic teams, debaters, band and other organizations to events. The purchase of the bus was a point of pride for the college. The "Pointer" noted, "Once again Central State comes in ahead of the other schools in the conference" by owning its own bus.

Special thanks to University Archivist Ruth Wachter-Nelson.
