HOUSING AND RESIDENCE LIFE

LEADERSHIP OPPORTUNITIES

Housing and Residence Life is proud to offer leadership opportunities for our students. Get involved!

Program Board (PB) is a hall-specific group. It is a great way to get involved, plan events, and maybe even hold a leadership position. Contact your RA or Hall Director for more information.

Residence Hall Association (RHA) serves as the voice of the 13 residence halls. RHA provides opportunities to develop leadership skills through elected and appointed positions, as well as through attendance at state, regional, and national conferences.

National Residence Hall Honorary (NRHH) is an organization that provides recognition for those individuals living in the residence halls who have demonstrated outstanding service to the on-campus community.

Come and discover your purpose in one of our thirteen welcoming residence halls. Your campus life experience is important here and designed to support your personal growth and academic success. There are a number of ways to get involved while you make Stevens Point your new home.

Every hall has community kitchens, a computer lab, laundry facilities (free!), study lounges, group meeting rooms, secured mailboxes, and recycling facilities.

Each room has a loftable bed frame, a twin XL mattress, dresser, desk (or table with pedestal storage), and closet for each resident.
