Position Title	Computing and New Media Technologies Lecturer
UW System / TTC Title and Code	Lecturer (TL020)
Position Information	Principle Work Location: UW-Stevens Point Main Campus, Science Building Supervisor: Cynthia McCabe, Assistant Dean, School of Mathematics, Computing, Physics and Astronomy
University Description	Through the discovery and dissemination of knowledge, UW-Stevens Point stimulates intellectual growth, provides a liberal education, and prepares students for a diverse sustainable world. The university is committed to creating a safe, inclusive learning community for all faculty and staff from a variety of backgrounds. Visit https://www.uwsp.edu/join-uw-stevens-point/ for more information about UW-Stevens Point. To learn about the Stevens Point (aka Point) area fun, jobs, housing, education, quality of life, and bragging rights, visit www.EverythingPointsHere.com
Program Description and Position Summary	The Department of Computing and New Media Technologies provides unique opportunities through three undergraduate programs: Computer Information Systems, Web Development, and Applied Computing. Additionally, the department offers master's degrees in Data Science, Cybersecurity, and Information Technology Management through collaboration with the UW System Extended Campus and other comprehensive campuses. In Computing and New Media Technologies, students will find a vibrant department fueled by an energetic faculty and staff, dedicated to teaching, research and community outreach. Visit https://www.uwsp.edu/programs/degree/computer-information-system/ or http://www.uwsp.edu/cnmt for more information about the department. The successful candidate will teach various courses for our Applied Computing (APC), Computer Information Systems (CIS) and/or Web Development (WD) majors. The adjunct pool is used to select part-time instructors who most closely meet the department's needs on a course-by-course basis. Lecturers are fully responsible for all aspects of their courses. Department courses may be taught in traditional classrooms or in computer labs. Although many courses are taught during regular business hours, evening classes and synchronous or asynchronous online classes are also an option.
Required Qualifications	• Bachelor's degree in computer science or a related field • Relevant work or teaching experience • Must be able to demonstrate strong interpersonal and communication skills
Preferred Qualifications	• Master's degree in computer science or a related field • Experience teaching diverse groups
How To Apply	This position and instructions on how to apply are located on our website. To return to a draft application, click on the "My Activities" link at the top of the screen after logging in. Once you click on Submit Application, you will not be able to edit or attach any application materials. After submitting the application, you will receive an Application

	Confirmation email from the application system. Refer to the "How To Apply" document for more information.
Anticipated Appointment Date	August 28, 2023
Terms of Employment	This is a 9-month, Academic Staff, semester-by-semester academic appointment, exempt from the Fair Labor Standards Act. Salary is commensurate with qualifications and experience. The successful applicant will be responsible for ensuring eligibility for employment in the United States on or before the effective date of the appointment. University sponsorship is not available for this position.
Deadline	To ensure consideration, completed online applications must be received. Pool applicants will be contacted when/if openings are available.
Required Materials	**Files must be complete to be considered. Submission in PDF format is preferred for all attachments. Please include the following documents:** - Cover letter addressing qualifications and experience - Resume/Curriculum Vitae - Contact information for three professional references - Unofficial/Official Transcripts (Official Transcripts required of finalist) Employment will require a criminal background check. It will also require you and your references to answer questions regarding sexual violence and sexual harassment.
Position Contact	For additional information regarding the position, please call or email: Dr. Tomi Heimonen, Chair, Department of Computing and New Media Technologies Email: theimone@uwsp.edu Phone: 715-346-4145
Human Resources Contact	If you have any questions regarding the application process, need special arrangements, or if you submitted your application with missing materials, please call or email: Human Resources Email: human.resources@uwsp.edu Phone: 715-346-2606
Special Notes	The University of Wisconsin-Stevens Point is an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, religion, color, national origin, sex, sexual orientation, gender identity, age, status as a protected veteran, or status as a qualified individual with a disability. UW-Stevens Point values diversity and inclusion as supported by our mission, "Through the discovery, dissemination and application of knowledge, UW-Stevens Point fosters intellectual growth, provides a broad-based education, models community engagement and prepares students for success in a diverse and sustainable world." Individuals with disabilities who need a reasonable accommodation during the application or interview process should contact Human Resources and Affirmative Action at 715-346-2606 or hr@uwsp.edu. The safety and success of students, faculty, and staff at the University of Wisconsin-Stevens Point is paramount. The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act requires the distribution of an annual security report to all current and prospective students, faculty, and staff. You may obtain the complete report at https://www3.uwsp.edu/protsv/Pages/Clery.aspx The University of Wisconsin-Stevens Point will not reveal the identities of applicants who request confidentiality in writing, except the identity of the successful candidate will be released. See Wis. Stat. sec. 19.36(7). An offer of employment will require a criminal background check and authorization to work within the United States as required by the Immigration Reform and Control Act of 1986. *PTO offering prorated based on start date and hours worked.
