Examples of settings with vulnerable populations include child care centers, summer camps for minors, precollege or enrichment programs, and health care facilities. For additional information, view the University of Wisconsin System Criminal Background Check Policy .)	

Department Description

The Department of Computing and New Media Technologies provides unique opportunities through three undergraduate programs: Computer Information Systems, Web Development, and Applied Computing. Additionally, the department offers master's degrees in Data Science, Cybersecurity, and Information Technology Management through collaboration with the UW System Extended Campus and other comprehensive campuses. In Computing and New Media Technologies, students will find a vibrant department fueled by an energetic faculty and staff, dedicated to teaching, research and community outreach. Visit <https://www.uwsp.edu/programs/degree/computer-information-system/> or <http://www.uwsp.edu/cnmt> for more information about the department.

Position Summary

The successful candidate will teach various courses for our Applied Computing (APC), Computer Information Systems (CIS) and/or Web Development (WD) majors. The adjunct pool is used to select part-time instructors who most closely meet the department's needs on a course-by-course basis.

Lecturers are fully responsible for all aspects of their courses. Department courses may be taught in traditional classrooms or in computer labs. Although many courses are taught during regular business hours, evening classes and synchronous or asynchronous online classes are also an option.
