

Internal/External	External
Position Title	Professor of Educational Sustainability Doctoral Level (Assistant, Associate, or No-Prefix)
UW System Title and Code	Associate Professor (C30NN)
FTE	100%
Position Information	<u>Work Location:</u> College of Professional Studies <u>Supervisor:</u> Dr. Kym Buchanan, Head of Department, Associate Dean, School of Education
Department	School of Education
Department Description	<p>The School of Education is located within the College of Professional Studies, offering majors in Elementary, Early Childhood, and Special Education to approximately 600 undergraduate students. We also offer teacher certification for approximately 800 secondary education majors. Graduate programs include the Ed.D. in Educational Sustainability, a Master's degree in Education, and teacher certifications in Adapted Physical Education, Bilingual/Bicultural Education, Early Childhood Education, Early Childhood through Middle Childhood License, English as a Second Language, Environmental Studies, Family and Consumer Sciences, Gifted and Talented Education, Health Education, Reading Teacher, Reading Specialist, and Special Education including specialization in Early Childhood Special Education, Cognitive Disabilities/Cross Categorical, Emotional/Behavioral Disabilities/Cross Categorical, Learning Disabilities/Cross Categorical, and Cross Categorical Special Education.</p>
University Description	<p>Through the discovery and dissemination of knowledge, UW-Stevens Point stimulates intellectual growth, provides a liberal education, and prepares students for a diverse sustainable world. The university is committed to creating a safe, inclusive learning community for all faculty and staff from a variety of backgrounds.</p> <p>Visit www.joinuwsp.org for more information about UW-Stevens Point.</p>
Position Summary	<p>The successful candidate will teach doctoral courses in Educational Sustainability. The candidate will collaborate with the Director on the development and adaptation of pedagogy, curriculum, and student success systems for the Doctorate in Educational Sustainability (Ed.D.). Duties also include serving as a leader in the area of sustainability on and off campus, recruiting and supporting students, and serving on dissertation committees. This position also requires scholarship, service, advising, and mentoring. This position may include teaching at the undergraduate and master's levels, based on the candidate's expertise/interest and the department's needs. Winterim and summer teaching opportunities are available. The Ed.D. is a year-round program, so some summer teaching and other paid duties are required, especially co-facilitating a 5-day annual summer residency.</p>
Required Qualifications	<ul style="list-style-type: none"> •Earned doctorate (at time of hire) in Sustainability Education, Adult Learning, Educational Leadership, Curriculum and Instruction or other education-related degree. •Evidence of expertise and substantial engagement in Sustainability, Sustainability Education, or a closely-related field. Undergraduate and/or graduate degree(s) in sustainability can be partial evidence of this qualification. (Our program's scope of "sustainability" include natural systems, social systems, and economic systems, and especially the roles/impacts of formal and informal systems of teaching and learning.) •Evidence of success with diverse populations of learners. •Evidence of successful teaching of university students, adult learners, and/or professionals.

Preferred Qualifications	<ul style="list-style-type: none"> •Evidence of successful teaching in sustainability or a related field. •Evidence of successful teaching with innovative pedagogies and technologies. •Evidence of successful research/scholarship. •Experience developing and/or maintaining a responsive approach for student/advisee support. •Evidence of successful outreach activities and/or building partnerships in the local or global community in informal or formal systems of teaching, learning and/or leadership. •Evidence of adapting instruction to a variety of different fields of study, specifically business, higher education, adult learning, not-for-profit community agencies, education, and administration. •Three (3) or more years of K12 teaching experience.
