

SHERATON - PALACE

SAN FRANCISCO 19

Friday noon

Jan -

Just a note to say that very soon  
I'll be checking out of the hotel -  
catching the bus for the air port and  
then on my way to Hawaii!

The meetings here have been very  
good and, as usual, I have especially  
enjoyed meeting people - old friends and  
making new acquaintances.

I haven't spent enough time out  
seeing S.F. but I didn't come for that.  
The weather has been perfect though  
and I should have a clear flight to  
Hawaii.

One of the Savings & Loan Co's  
was giving away some reproductions of  
campaign buttons and lawn seeding  
some home. you may distribute them  
as you wish.

Our G.C. 2 meeting was very  
successful - 16 attended and we had  
a fine time getting ~~with~~ acquainted and  
catching up on the activities of others.  
Ernie O'Byrne sends his greetings - as  
does Ken Young. Mr Cowley was not  
able to come since he is in West Virginia  
on a consultative trip.

I have had two good nights of  
rest and feel "ready" for the next  
part of my trip.

Love

Jim
