To: Wisconsin Educational Institutions

From: Wisconsin Laboratory Association (WLA) Scholarship Committee

Re: WLA 2019 Scholarships

The Wisconsin Laboratory Association is offering two $1,000.00 scholarships for 2019. To be considered, students must meet the following requirements:

1. All applicants must be one of the following at an accredited college or university having completed at least 1 semester of classes:
   A. Technical Student
   B. Undergraduate University Student
   C. Graduate Student

2. All applicants must be enrolled in a curriculum that will enable them to pursue a career in a non-medical laboratory related field and have a 3.0 or higher Grade Point Average. (ex: cannot be pre-medicine, pre-veterinary, nursing, etc.)

3. All applicants MUST submit the following three pieces of information to the Scholarship Committee to be considered:
   A. A completed WLA application form.
   B. A current transcript from the school the student is presently attending.
   C. Two letters of recommendation from the student’s instructors.

The deadline for submitting COMPLETED applications and supporting documentation is March 31, 2019.

Please make this information accessible to any interested students (feel free to photocopy the information).

Please contact us if you require any further information or assistance. Applications are also available on the WLA website at: www.wisconsinlabassociation.org.

Sincerely,

Gina Steiner       Amanda Matczynski       Kathleen Mueller

V. School
School/college you are attending?

Degree you are working toward?

What year you are presently in?

How did you become aware this scholarship was being offered?

VI. References
Please list two references, not relatives, one of whom is an instructor or teacher in the school you are attending.
Name            Occupation            Address and Phone

*Please ask two instructors to submit a letter of recommendation, which is to be sent under separate mailing to application address.

VII. Personal Statement (submit on a separate page)
Give any additional information that may help the Scholarship Committee. This information and statement may be the deciding factor in awarding of the scholarship. This information may include school or community activities, hobbies, special interests, etc. You should include your reasons for choosing laboratory related studies.

Please complete all portions of this and send it with your grades for the past school year to the address below. Be sure the have the two letters of recommendation from your instructors also sent to this address or your application will not be accepted.

In submitting this application, I do hereby release my student records to the Wisconsin Laboratory Association Scholarship Committee for their use in awarding and administering this scholarship.

The information I have submitted is correct to the best of my knowledge.
