Steps for a successful move-in at UW-Stevens Point

1. Stop in an “UNLOADING ZONE” as close as possible to your residence hall.

2. A move-in staff member will ask for your hall and your cell phone number. It will be written on your windshield with a temporary marker or on a dashboard card. This information must stay on your windshield or visible on your dash until your vehicle leaves the unloading zone.

3. Quickly unload your belongings into the moving carts or onto the designated area by the sidewalk.

4. Have a family member/friend move your vehicle to a short-term or long-term parking lot while you stay with your belongings. If you are alone, a Pointer Pal will stay with your belongings while you move your vehicle.

5. Proceed to the residence hall lobby to turn in your completed GOLD EMERGENCY CARD and check in while family, friends and/or volunteers begin taking your belongings to your room. After you get your key, you can meet your family/friends at your room.

6. See other map for more parking lot locations.

UW-Stevens Point Residence Hall “UNLOAD ZONES”
NOTE: Entrance to parking Lot T is on Illinois Ave / Entrance to one-way service drive is through Lot F-East
