Fall hall sign-up begins

Spring 2015 residents are able to choose where they will live next fall.

Room sign-up for current residents is an online process allowing residents to select where they will live for fall 2015.

Between April 1 and 24, residents pay their $125 housing prepayment (either online or at the Bursar’s Office) and then complete their housing contract. Residents can submit a housing contract after April 24, but will lose priority standing for hall sign-up. Returning residents may use our new online application process between April 1 and 24. After April 24, the student must complete a paper contract (available in the Residential Living Office). The Residential Living Office is open Monday-Friday, 8 a.m.—4:30 p.m.

Residents who submit their contract by April 24 “default” to the room they are in now and have a number of opportunities to make a room change through the online link they receive from Residential Living via their UW-Stevens Point email account and at our department website.

If you’d like to read more about the hall sign-up process and the options available to residents, please visit www.uwsp.edu/resliving and click on the link for hall sign-up in the “News and Events” column. (The link will be available beginning April 1.)

UW Board of Regents’ policy requires all first-year and sophomore students to live in residence halls at four-year UW schools. More information about that policy and UW-Stevens Point’s interpretation can be found at www.uwsp.edu/resliving/pages/faqsPolicies/bor.aspx.

Suites@201 (accurate as of publication date)
Residential Living is still accepting applications for the Suites@201, our apartment-style residence hall. Information about the Suites@201 can be found on our website at www.uwsp.edu/resliving/pages/suites.aspx.

Applicants must have graduated from high school in or before 2013 AND must commit to a full academic-year contract (they will not be able to opt out of their contract at the end of the fall semester—an option available in our other halls).

If your student is eligible and is interested in living in this unique residence hall, please have them contact our office at 715-346-3511.

Hyer Hall
Hyer Hall is a “traditional” residence hall in its design, providing single room accommodations to individuals who will be 21 years of age or older by the first day of classes for fall 2015. At this time a limited number of spaces remain.
Checkout tips

At the end of the semester, each student must check out with a staff member before departing for the summer. The housing contract requires that residents check out 24 hours after their last final exam or by Saturday, May 16, at 10 a.m., whichever is earlier.

Expect the checkout procedure to last approximately 15-30 minutes. Please remember staff are students too, and they also have final exams and moving responsibilities.

We appreciate your assistance with the following when moving your student out in May:

- **Remember study hours are in effect during finals**, When at all possible, dismantle lofts during the week prior to finals. Residents participating in the loft rental program will receive information from the loft company in late spring on how to return their rented loft.

- **Please keep vehicles off the grass and sidewalks.**

- **Remind your student to follow checkout procedures.** All residents are required to complete paperwork, return keys and thoroughly clean their side of the room prior to departing.

- **There are sites in each residence hall where unwanted food items (unopened) and clothing can be placed.** Volunteers pick up the items and distribute them to local charities.
