To the Reference Provider:

The National Student Exchange (NSE) provides students with the opportunity to attend another member university within the United States, Canada, Guam, Puerto Rico and the U.S. Virgin Islands for a single term or an academic year. Students participate in NSE to take advantage of the unique geographic, cultural, and academic characteristics of institutions and/or regions.

In making decisions on the appropriateness of a student’s participation in the exchange, we need to know about their motivation, adaptability, academic skills, and those personal qualities that will give students the ability to benefit fully from the exchange experience. While we will appreciate any observations that will assist us in evaluating the present applicant, of special interest are qualities such as competence, independence, assertiveness, resourcefulness, quality of performance, confidence, social skills, open-mindedness, and integrity.

Please indicate the basis and extent of your acquaintance with the applicant. Placing your remarks in a comparative perspective will further assist the NSE office in reaching a decision about the applicant.

In summation, please state frankly your opinion of this applicant's chances for academic and non-academic success in an exchange program, weighing both strong and weak points.

Occasionally, an academic advisor or instructor has not had enough contact with a student to do an adequate personal evaluation. If that is your case, we fully understand and will look at the comments as to academic performance only. We would also like to know the appropriateness of exchange at this time in the student's program of study. We are particularly concerned that the student's academic progress will not be hindered by participating in NSE, if known to you.
