5.4. Smiley Professional Events (or Pro Events)

Several UWSP departments and programs, including the School of Business & Economics, sponsor **Smiley Professional Events (or Pro Events)**.

Pro Events connect you to:

- *Campus* (e.g., academic coaching, student clubs);
- *Community* (e.g., Rotary, Business Council); and
- *Careers* (e.g., internships, networking).

As an SBE student, you will be able to choose from a wide variety of speakers, workshops and special events. With over 300 events per year on the Pro Events calendar, you will have significant flexibility in selecting your events. Whatever you choose, Pro Events will help you to make the most out of your time as a student and to prepare for transitioning into a successful career.

Visit the Pro Events web site (proevents.uwsp.edu) for announcements of upcoming events. You can also follow us on social media. Facebook: [UWSP School of Business & Economics](#)
Twitter: [@UWSPBusiness](#)

For this course, you must attend **two** official Pro Events. One event must be before the mid-semester cut-off; a second event must be before the end-of-semester cut-off. **Check the Pro Events webpage for the cutoff dates.**

If you go to extra events before the mid-semester cut-off, those credits will carry over into the second half of the semester. Attendance at each event will count for 5 points towards your final grade. I will enter points for the events once at the end of the semester.

As we continue Pro Events during COVID, there will be a variety of ways to earn your credits:

- Attend virtual (Zoom) events in real time; receive attendance credit directly by signing in with your Point card.
- Watch recordings of past events; receive attendance credit after you submit report via Anderson Center Canvas page.
- Attend occasional live events on campus; receive attendance credit directly.
- Attend off-campus live events; take Events Attendance form and obtain signature.

Attendance at Pro Events will be confirmed with automatic emails to you and updated on the Pro Events web site. Please allow a week for confirmation of attendance at events held outside the SBE, such as Career Services events. If you have a question about Pro Events attendance, please email proevents@uwsp.edu.

If you have multiple courses or affiliations with Pro Events requirements, it is your responsibility to make sure you have attended enough events for each course/affiliation. If you have not attended enough events to cover all of your requirements, your attendance will be allocated to your courses in alpha-numeric order followed by any other affiliations.

After the mid-semester cut-off and the end of this semester's events, I will receive reports confirming your attendance. You do not need to do anything else. **NOTE: I enter the points for SBE Events ONCE at the end of the semester.**

Hint: if you are having trouble finding events that fit your schedule, check out the "Create Your Own Event" option (<https://www.uwsp.edu/busecon/Pages/Events/create.aspx>). You can meet with an expert from Career Advising, Financial Coaching or Academic Coaching. During "Kickstart Your Career," there's the special "Lunch with a Leader" program that allows you to set up a lunch with a local business expert to learn more about their industry, company and profession. Normally, the Anderson Center pays the cost of lunch for SBE students and their guests; during this COVID era, the lunches will be "virtual" (Zoom).

6. SCHEDULE

6.1. Dates and Deadlines

You will find a course schedule in Canvas. This schedule is subject to change with appropriate notice. The course schedule is organized by **Textbook Chapter** rather than by calendar week.

University deadlines such as the last day to drop can be found in the UWSP Academic calendar here: <https://www.uwsp.edu/acadaff/Pages/AcademicCalendar.aspx>

7. OTHER ADMINISTRATIVE DETAILS

7.1. ADA / Equal Access for Students with Disabilities

The American Disabilities Act (ADA) is a federal law requiring educational institutions to provide reasonable accommodations for students with disabilities. Links to UWSP's policies regarding ADA, nondiscrimination, and Online Accessibility (IT & Communication Accessibility) can be found at: <https://www.uwsp.edu/datc/Pages/uw-legal-policy-info.aspx>

UW-Stevens Point will modify academic program requirements as necessary to ensure that they do not discriminate against qualified applicants or students with disabilities. The modifications should not affect the substance of educational programs or compromise academic standards; nor should they intrude upon academic freedom. Examinations or other procedures used for evaluating students' academic achievements may be adapted. The results of such evaluation must demonstrate the student's achievement in the academic activity, rather than describe his/her disability.

If modifications are required due to a disability, please inform the instructor and contact the Disability and Assistive Technology Center to complete an Accommodations Request form. The Disability and Assistive Technology Center is located on the 6th Floor of Albertson Hall. For more information, call 715-346-3365, email datctr@uwsp.edu or visit: <https://www.uwsp.edu/datc/Pages/default.aspx>

7.2. Inclusivity/Nondiscrimination Statement

To address concerns regarding any of these issues please call 715-346-2606 or visit:

<http://www.uwsp.edu/hr/Pages/Affirmative%20Action/About-EAA.aspx>

7.3. Religious Beliefs Accommodation

In addition to the support services provided by Student Health Service and the UWSP Counseling, there are also professional support services available to students through the Dean of Students. The Office of the Dean of Students supports the campus community by reaching out and providing resources in areas where a student may be struggling or experiencing barriers to their success. Faculty and staff are asked to be proactive, supportive, and involved in facilitating the success of our students through early detection, reporting, and intervention. As such, an instructor may contact the Office of the Dean of Students if he or she senses that a student is in need of additional support beyond what the instructor is able to provide. For more additional information, please go to <http://www.uwsp.edu/dos/Pages/default.aspx>

UWSP students may also share a concern directly if they or another member of our campus community needs support, is distressed, or exhibits concerning behavior that is interfering with

7.6. UWSP Community Bill of Rights and Responsibilities

UWSP values a safe, honest, respectful, and inviting learning environment. In order to ensure that each student has the opportunity to succeed, a set of expectations has been developed for all students, staff, and faculty. This set of expectations is known as the Rights and Responsibilities document, and it is intended to help establish a positive living and learning environment at UWSP. For more information, go to:

7.9. Academic Honesty

UW System policy (UWS 14) states that students are responsible for the honest completion and representation of their work, for the appropriate citation of sources, and for respect of others' academic endeavors. Students suspected of academic misconduct will be asked to meet with the instructor to discuss the concerns. If academic misconduct is evident, procedures for determining disciplinary sanctions will be followed as outlined in UWS 14. A direct link to this policy can be found here: https://docs.legis.wisconsin.gov/code/admin_code/uws/14

Any student caught cheating or assisting another student to cheat or allowing another student to cheat may be removed from the class and given a failing grade. The minimum penalty for cheating is a reduction in points of 200% of the value of the assignment.

7.10. Grade Reviews/Appeals

A formal grade appeal, also known as a Grade Review, can be requested in instances when the student feels that he or she was not provided a syllabus with a grading scale in a timely manner (i.e., the end of the second week of classes) and/or the instructor did not stick with the grading scale published in the syllabus. Questions of whether or not the instructor appropriately graded one or more of the course assignments, quizzes, exams, etc. are not matters to be decided by a formal grade appeal, but rather should be taken up with the instructor directly. Information on grade reviews can be found in the University Handbook, Chapter 7, Section 5. A link to the university's policies on non-academic misconduct can be found at:

<https://www.uwsp.edu/acadaff/Pages/gradeReview.aspx>

7.11. Non-Academic Misconduct

Information on non-academic misconduct can be found in Chapters 17 and 18 of the Student Rights and Responsibilities Document. A link to the university's policies on non-academic misconduct can be found at: <https://www.uwsp.edu/dos/Pages/stu-conduct.aspx>.

7.12. Confidentiality

Under FERPA, students cannot remain anonymous in a class. Students are permitted to know who else is in their class.

Learning requires risk-taking and sharing ideas. Please keep your classmates' ideas and experiences confidential outside the classroom unless permission has been granted to share them.

This course may require students to post their work online using applications or services that have not been approved by UW-system. In this situation, the students work will only be viewable only by his or her classmates. None of the work submitted online will be shared publicly. Some assignments require account creation for online programs. The instructor of this course will not share your academic records (grades, student IDs). Confidentiality of student work is imperative, so you should not share the work of your peers publicly without their permission. By participating in these assignments, you are giving consent to sharing of your work with others in this class and you recognize there is a small risk of your work being shared online beyond the purposes of this course. Examples of additional risks include data mining by the company providing the service, selling of your email to third parties, and release of ownership of data shared through the tool. Please contact your instructor prior to the due date if you wish not to participate in these online assignments due to confidentiality concerns.

UW-System approved tools meet security, privacy, and data protection standards. For a list of approved tools, go to: <https://www.wisconsin.edu/dle/external-application-integration-requests/>. Tools not listed on the website linked above may not meet security, privacy, and data protection standards. If you have questions about tools, contact the UWSP IT Service Desk at 715-346-4357. Links to the Terms of Use and Privacy Policies for tool used at UWSP be found at: <https://www.uwsp.edu/online/Pages/Privacy-and-Accessibility-Links.aspx>

Here are steps you can take to protect your data and privacy:

- Use different usernames and passwords for each service you use

- Do not use your UWSP username and password for any other services
- Use secure versions of websites whenever possible (HTTPS instead of HTTP)
- Have updated antivirus software installed on your devices

Additional resources regarding information security at UWSP can be found at:
<https://www.uwsp.edu/infosecurity/Pages/default.aspx>.

It is important for students to understand that faculty are required to report any incidents of maltreatment, discrimination, self-harm, or sexual violence they become aware of, even if those incidents occurred in the past, off campus, or are disclosed as part of a class assignment. This does not mean an investigation will occur if the student does not want that, but it does allow the university to provide resources to help the student continue to be successful.

7.13. Intellectual Property - A Guide to Student Recording & Sharing Class Content

Lecture materials and recordings for this class are protected intellectual property at UW-Stevens Point. Students in this course may use the materials and recordings for their personal use related to participation in this class. Students may also take notes solely for their personal use. If a lecture is not already recorded, you are not authorized to record my lectures without my permission unless you are considered by the university to be a qualified student with a disability requiring accommodation. [Regent Policy Document 4-1] Students may not copy or share lecture materials and recordings outside of class, including posting on internet sites or selling to commercial entities. Students are also prohibited from providing or selling their personal notes to anyone else or being paid for taking notes by any person or commercial firm without the instructor's express written permission. Unauthorized use of these copyrighted lecture materials and recordings constitutes copyright infringement and may be addressed under the university's policies, UWS Chapters 14 and 17, governing student academic and non-academic misconduct.

If your coursework or feedback is used, your identity will be concealed. If you prefer not to have your work included in any future projects, please send the instructor an e-mail indicating that you are opting out of this course feature. Otherwise, your participation in the class will be taken as consent to have portions of your coursework or feedback used for teaching or research purposes.

7.15. Revision Clause

Please note that unless everyone is wearing a face covering, in-person classes cannot take place. This is university policy and not up to the discretion of individual instructors. Failure to adhere to this requirement could result in formal withdrawal from the course.

Other Guidance:
