Course Description: ACCT 211 - Introductory Managerial Accounting: Decision-making process using managerial accounting information; cost-volume-profit analysis, cost accounting systems, budgeting, and performance evaluations.

**SBE Mission:** The UW-Stevens Point School of Business and Economics creates career ready graduates and leaders through applied learning. We serve the businesses, economy, and people of the greater Central Wisconsin region. We specialize in preparing students for success by providing professional development experiences, access to employers, and in-demand skills.

The SBE achieves its mission by valuing:

- Talent development
- Lifelong learning
- Career preparation
- On the job experiences
- Community outreach
- Regional partnerships
- Continuous improvement

**Accreditation Commitment:** SBE is accredited by the Association to Advance Collegiate Schools of Business (AACSB), a designation earned by only 5 percent of world business schools. Accreditation instills a culture of continuously improving our programs through connections with local business leaders, alumni and the community.

**Attendance Policy:** While I do not generally take attendance, you **MUST** keep up with the schedule. You are responsible for anything that happens in class. There may be occasional, unannounced in class activities that are worth points. These will be extra credit. If you miss an in class activity, there will be no makeup.

**Work turned in late:** Late work may not be accepted. If accepted, late work will lose 25% per calendar day.

**Missing Exams:** There will be no make-up exams. Students who have missed one of the midterm exams with a medical or university approved excuse, **and** who have notified me in advance will receive a statistically estimated score based on their other exam scores. For students who have missed more than one of the midterms, a zero will be used as the missing grade in the estimation of each missing exam. If you miss the final exam, you will receive a grade of zero for that exam.

**ADA Statement:** If you feel you may need an accommodation or special services for this class, please see me or call the service at 346-3365.

**Academic Misconduct:** Any student caught cheating or assisting another student to cheat or allowing another student to cheat may be removed from the class and given a failing grade. **The minimum penalty for cheating is a reduction in points of 200% of the value of the assignment.** Academic Misconduct is defined as violating provisions of Chapter UWSP 14, Rules of the Board of Regents of the University of Wisconsin System, Wisconsin Administrative Code. <http://www.uwsp.edu/admin/stuaffairs/rights/rightsChap14.pdf>

**Technology Policy:** You may not have a cell phone or other connected device out during class.

**Grading:** Grading will start with a traditional 90, 80, 70 scale. Grades may be curved from there at the discretion of the professor.

**Smiley Professional Events:** (Formerly Pointer Professional Events, Formerly SBE Events) For this course, you must attend **two** official Smiley Professional Events. One event must be before the mid-semester cut-off; a second event must be before the end-of-semester cut-off. If you go to extra events early in the semester, those credits will carry over into the second half of the semester.

I will receive reports confirming your attendance. You do not need to do anything else. **I will enter the SBE Event points into Canvas once at the end of the semester.**
