Videos will be available to help with financial calculator keys, as well as select homework problems and reviews. I highly encourage you to take the time to watch these videos when offered!

Homework: Online problems (found on McGraw-Hill *Connect*) will be assigned for select chapters and will be posted at the beginning of each chapter under the Assignments tab in Canvas. Problems are assigned to help students better understand course material. As such, problems are designed to be solved after the chapter has been discussed in class. Students have **three** attempts to complete each homework assignment. The highest attempted score (not the last score) will be recorded in the gradebook. A late penalty of 25% per day will be given to any homework submitted after the due date. The two lowest homework scores will be dropped from the final homework average. We will discuss some of the homework problems during class. Whenever possible, I'll announce these problems ahead of time to help students better prepare for the discussion.

Quizzes: Quizzes (also found on McGraw-Hill *Connect*) will be due at the end of each module. Quizzes are meant to help students better understand the concepts studied in each module. As with the homework, students will have three attempts to successfully complete each quiz. The highest quiz score will be retained in the gradebook. **No late quizzes will be accepted.** The lowest module quiz score will be dropped.

Smart Reviews: Smart Reviews will be available for each chapter on McGraw-Hill *Connect* to help students study the material. These reviews are optional but recommended; material from them may appear on exams.

Exams: Each of the four exams will consist of problems and/or multiple-choice questions. Exams will be based on lectures, assigned readings, Smart Reviews, and assignments.

5.4. Smiley Professional Events – This section applies only to courses requiring Pro Events

Smiley Professional Events (or **Pro Events**) and the **Anderson Classroom to Career Center (C2C)** are flagship programs of the Sentry School.

Pro Events connect you to:

- *Campus* (e.g., academic coaching, student clubs);
- *Community* (e.g., Rotary, Business Council); and
- *Careers* (e.g., internships, networking).

As a Sentry School student, you will be able to choose from a wide variety of speakers, workshops and special events. With over 300 events per year on the Pro Events calendar, you will have significant flexibility in selecting your events. Whatever you choose, Pro Events will help you to make the most out of your time as a student and to prepare for transitioning into a successful career.

Find the Pro Events calendar in the new virtual C2C! Get started by either downloading the Suitable app in your preferred app store or by visiting app.suitable.co. Then log in with your UWSP email; be sure to give access to your camera and turn on notifications. Later in the semester, you will receive instructions on how to request that your Pro Events attendance credits be applied to your Sentry School classes with Pro Events requirements.

For this course, you must attend **two official Pro Events**. One event must be before the mid-semester cut-off of **Oct. 27**; a second event must be before the end-of-semester cut-off (**Dec. 15**). If you go to extra events before the mid-semester cut-off, those credits will carry over into the second half of the semester. Each pro event you attend will be worth 1% of your final grade, for a total of 2%.

You may earn Pro Events credits by attending both live Zoom events and in-person events. For maximum schedule flexibility, check out the Anderson Center Canvas page for details on “Create Your Own” events and the “Lunch with a Leader” program. “Create Your Own” events include meetings with Career Advising, Financial Coaching or Academic Coaching staff. The “Lunch with a

Leader” program allows you to set up a lunch (virtual or in-person) with a business expert to learn more about their industry, company and profession.

Only students registered for 100% online or branch-campus classes have access to Pro Events recordings. The number of videos available will be pro-rated based on the number of such courses in which you are enrolled. Video events must be completed one week before the general Pro Events cut-offs. **For Fall 2023, the video deadlines are Oct. 20 for the first half-semester and Dec. 8 for the second half-semester.**

Attendance at Pro Events will be confirmed within the Pro Events Tracker in the virtual C2C. Please allow a week for confirmation of attendance at events held outside the Sentry School, such as Career Services events. If you have a question about Pro Events attendance, please email proevents@uwsp.edu.

If you have multiple courses or affiliations with Pro Events requirements, it is your responsibility to make sure you have attended enough events for each course/affiliation.

7. OTHER ADMINISTRATIVE DETAILS

7.1. ADA / Equal Access for Students with Disabilities

The American Disabilities Act (ADA) is a federal law requiring educational institutions to provide reasonable accommodations for students with disabilities. Links to UWSP's policies regarding ADA, nondiscrimination, and Online Accessibility (IT & Communication Accessibility) can be found at: [UW Legal and Policy Information](#).

UW-Stevens Point will modify academic program requirements as necessary to ensure that they do not discriminate against qualified applicants or students with disabilities. The modifications should not affect the substance of educational programs or compromise academic standards; nor should they intrude upon academic freedom. Examinations or other procedures used for evaluating students' academic achievements may be adapted. The results of such evaluation must demonstrate the student's achievement in the academic activity, rather than describe his/her disability.

If modifications are required due to a disability, please inform the instructor and contact the Disability Resource Center (DRC) to complete an Accommodations Request form. The DRC is located in room 108 in the Collins Classroom Center (CCC). For more information, call 715-346-3365 email drc@uwsp.edu, or visit: [Disability Resource Center](#)

7.2. Nondiscrimination Statement

No person shall be discriminated against because of race, ethnicity, color, age, religion, creed, gender, gender identity, sexuality, disability, nationality, culture, genetic information, socioeconomic status, marital status, veteran's status, or political belief or affiliation and equal opportunity and access to facilities shall be available to all. To address concerns regarding any of these issues please call 715-346-2606 or visit: [Equal Opportunity Human Resources](#)

7.3. SBE Inclusivity Statement

It is my intent that students from diverse backgrounds and perspectives be well-served by this course, that students' learning needs be addressed both in and out of class, and that the diversity that the students bring in and out of class be viewed as a resource, strength, and benefit. Every person has a unique perspective and we learn from hearing many of them, but not all perspectives are represented in course readings. So, learning depends upon all of you contributing to the class with your own opinions and perspectives. It is my intent to present materials and activities that are respectful of diversity: gender identity, sexuality, disability, age, socioeconomic status, ethnicity, race, nationality, religion, and culture. Your suggestions are encouraged and appreciated. Please let me know ways to improve the effectiveness of the course for you personally, or for other students or student groups.

If you have experienced a bias incident (an act of conduct, speech, or expression to which a bias motive is evident as a contributing factor regardless of whether the act is criminal) at UWSP, you have the right to report it. To do so, first go to the [Hate Bias Response Team website](#), then click the button that corresponds to the appropriate campus, and finally complete and submit the report. You may also contact the Dean of Students office directly at dos@uwsp.edu.

Further information on UWSP's commitment to an inclusive campus can be found here: [Equity, Diversity, and Inclusion](#)

7.4. Religious Beliefs Accommodation

It is UW System policy (UWS 22) to reasonably accommodate your sincerely held religious beliefs with respect to all examinations and other academic requirements. A direct link to this policy can be found here: [Chapter UWS 22 Accommodation of Religious Beliefs](#).

The UWSP Counseling Center is staffed with licensed mental health professionals dedicated to assisting students as they navigate difficult circumstances or resolve personal concerns. Therapy and consultation services are free of charge for registered students. The UWSP Counseling Center is located on the 3rd Floor of Delzell Hall. For more information, call 715-346-3553 or visit: [UWSP Counseling Center](#).

In addition to the support services provided by Student Health Service and the UWSP Counseling, there are also professional support services available to students through the Dean of Students. Responding to students with care, concern, and resources is critical in supporting the success of our students and campus community, and therefore the Dean of Students maintains a list of resources that can provide support for a wide variety of situation. That list can be found here, [Dean of Students Resources](#). Moreover, the Office of the Dean of Students supports the campus community by reaching out and providing resources in areas where a student may be struggling or experiencing barriers to their success. Faculty and staff are asked to be proactive, supportive, and involved in facilitating the success of our students through early detection, reporting, and intervention. As such, an instructor may contact the Office of the Dean of Students if he or she senses that a student is in need of additional support beyond what the instructor is able to provide. Simply put, the Dean of Students is here to help. If you are ever unsure of what to do or who to contact, contact the Dean of Students Office at 715-346-2611 or visit them online at [UWSP Office of the Dean of Students](#).

UWSP students may also share a concern directly if they or another member of our campus community needs support, is distressed, or exhibits concerning behavior that is interfering with the academic or personal success and/or the safety of others. For more information, go to: [UWSP Community Bill of Rights and Responsibilities.](#)

7.10. Academic Honesty

UW System policy (UWS 14) states that students are responsible for the honest completion and representation of their work, for the appropriate citation of sources, and for respect of others' academic endeavors. Students suspected of academic misconduct will be asked to meet with the instructor to discuss the concerns. If academic misconduct is evident, procedures for determining disciplinary sanctions will be followed as outlined in UWS 14. A direct link to this policy can be found here: [Chapter UWS 14 Student Academic Disciplinary Procedures.](#)

7.11. Grade Reviews/Appeals

A formal grade appeal, also known as a Grade Review, can be requested in instances when the student feels that he or she was not provided a syllabus with a grading scale in a timely manner (i.e., the end of the second week of classes) and/or the instructor did not stick with the grading scale published in the syllabus. Questions of whether or not the instructor appropriately graded one or more of the course assignments, quizzes, exams, etc. are not matters to be decided by a formal grade appeal, but rather should be taken up with the instructor directly. Information on grade reviews can be found in the University Handbook, Chapter 7, Section 5. A link to the university's policies on non-academic misconduct can be found at: [UWSP Grade Reviews/Appeals.](#)

7.12. Non-Academic Misconduct

Information on non-academic misconduct can be found in Chapters 17 and 18 of the Student Rights and Responsibilities Document. A link to the university's policies on non-academic misconduct can be found at: [UWSP Non-Academic Misconduct](#).

Under FERPA, students cannot remain anonymous in a class. Students are permitted to know who else is in their class.

Learning requires risk-taking and sharing ideas. Please keep your classmates' ideas and experiences confidential outside the classroom unless permission has been granted to share them.

This course may require students to post their work online using applications or services that have not been approved by UW-system. In this situation, the students work will only be viewable only by his or her classmates. None of the work submitted online will be shared publicly. Some assignments require account creation for online programs. The instructor of this course will not share your academic records (grades, student IDs). Confidentiality of student work is imperative, so you should not share the work of your peers publicly without their permission. By participating in these assignments, you are giving consent to sharing of your work with others in this class and you recognize there is a small risk of your work being shared online beyond the purposes of this course. Examples of additional risks include data mining by the company providing the service, selling of your email to third parties, and release of ownership of data shared through the tool. Please contact your instructor prior to the due date if you wish not to participate in these online assignments due to confidentiality concerns.

Tools not listed on the website linked above may not meet security, privacy, and data protection standards. If you have questions about tools, contact the UWSP IT Service Desk at 715-346-4357. Links to the Terms of Use and Privacy Policies for tool used at UWSP be found at: <https://www.uwsp.edu/online/Pages/Privacy-and-Accessibility-Links.aspx>

- Use secure versions of websites whenever possible (HTTPS instead of HTTP)
- Have updated antivirus software installed on your devices

Additional resources regarding information security at UWSP can be found at: [Terms of Use and Privacy Policies for Tools Used](#)

It is important for students to understand that faculty are required to report any incidents of maltreatment, discrimination, self-harm, or sexual violence they become aware of, even if those incidents occurred in the past, off campus, or are disclosed as part of a class assignment. This does not mean an investigation will occur if the student does not want that, but it does allow the university to provide resources to help the student continue to be successful.
