### **Course Structure**

### \*Attendance

Attending class will likely be the single most important factor in determining your performance and grade in the course, so plan to attend every class. The relationship between attendance and achievement in education has been extensively documented in peer-reviewed research. *I am not able to re-teach the material to you in the event that you are absent, but you can ask a classmate to share notes.* 

In most class meetings you will have at least one project, exercise, test, and/or discussion that will impact your grade, and your class discussions will count toward participation. It is expected that you come to class prepared you've completed the reading/assignment for the day, and taken notes to remind yourself of the salient points of the reading when necessary.

#### If you need to miss class due to COVID-19 exposure or an illness -

please email me two hours prior to class and I will provide a zoom link for you to attend class. Points for in-class activities that cannot be completed on zoom will need separate arrangement with me. Please use this accommodation as needed, but do not abuse it. It is expected that you are doing your best to limit your exposure.

Inclement Weather Policy: Class will be held except in the case of extreme weather. The instructor and university will notify students of cancellations via your UWSP email account. Use your own judgment and always remember your safety comes first. If you cannot make it to class due to weather, you can email me two hours prior to class for a zoom link.

If you need to miss class for any reason and you want to make-up the points, please contact me at least two hours BEFORE the absence and we will arrange a make-up assignment. Please use this accommodation as needed, but do not abuse it. It is expected that your priority is to attend classes in person.

If there is an emergency and you cannot notify me of your absence ahead of time, please let me know as soon as possible and we will make arrangements to cover the information you missed. Please use this accommodation as needed, but do not abuse it. It is expected that an emergency can happen, but they do not happen often.

Partial class attendance will result in partial participation points. It is expected that your priority is to attend classes in person.

Absences without prior notification will result in zero participation/activity points without opportunity for make-up.

Additionally, follow the link to review attendance guidelines as outlined by the <u>UWSP registrar</u>.

# **\*Quality Participation**

As in all university courses, attendance and participation are important measures of student success. In this course, your participation is recorded as a grade that will be factored into your final point value. Class participation is a very important part of the learning process in this course. I encourage you to be active in every class session. This participation grade serves as a way to credit you with the effort and work you are putting into the class in and out of the classroom. However, I understand that we all have different levels of comfort regarding speaking in class. Participation will thus be counted as speaking to the whole group, in smaller groups, and completing in-class activities. If you are fully engaged in at least two of those three activities, you will earn full points. If you are not participating at any of those levels you will not earn points.

# **\*Basic Needs Policy**

Your safety and well-being are important, and even though I ask you to make this course and your learning a priority, I understand when there are times that you cannot. Anyone can find themselves facing mental health, financial, or safety issues at any time. If you experience obstacles this semester that prevent your attendance or learning, feel free to reach out to me if you are comfortable. I will provide the support and resources that I can. If you experience issues with food, housing, or personal safety, I urge you to contact the Office of the Dean of Students for support. https://www.uwsp.edu/dos/Pages/virtual-dos.aspx

# **\*Topic Outline/Schedule**

**Important Note:** Refer to the Canvas course **HOME** page for pertinent information. Activity and assignment details will be explained in detail within each week's corresponding Module. If you have any questions, please contact your instructor.

# **Course Technology Requirements**

**Cell phone usage:** Research supports that having visual access to a cell phone diminishes our ability to learn. Checking social media, texts, emails, and messages is unprofessional and disrespectful to our class community. **Unless we are using cell phones for a class activity, please turn off your phone during class;** I will do so as well. If I notice that you are using your phone during class, I may ask you to share what you are researching or ask you to put it away. Thank you for following these guidelines as they help create a positive learning community.

This course requires posting of work online that is viewable only by your classmates. None of the work submitted online will be shared publicly. Some assignments require account creation for online programs. Your academic records (grades, student IDs, personal identification information) will not be shared by the instructor of this course. Confidentiality of student work is imperative, so you should not share the work of your peers publicly without their permission. By participating in these assignments, you are giving consent to sharing of your work with others in this class and you recognize there is a small risk of your work being shared online beyond the purposes of this course. If you elect to not participate in these online assignments due to confidentiality concerns, then an alternate assignment will be offered to you.

#### **Student Academic Disciplinary Procedures**

UWSP 14.01 Statement of principles

The board of regents, administrators, faculty, academic staff and students of the university of Wisconsin system believe that academic honesty and integrity are fundamental to the mission of higher education and of the university of Wisconsin system. The university has a responsibility to promote academic honesty and integrity and to develop procedures to deal effectively with instances of academic dishonesty. Students are responsible for the honest completion and representation of their work, for the appropriate citation of sources, and for respect of others' academic endeavors. Students who violate these standards must be confronted and must accept the consequences of their actions.

(2) Examples of academic misconduct include, but are not limited to: cheating on an examination; collaborating with others in work to be presented, contrary to the stated rules of the course; submitting a paper or assignment as one's own work when a part or all of the paper or assignment is the work of another; submitting a paper or assignment that contains ideas or research of others without appropriately identifying the sources of those ideas; stealing examinations or course materials; submitting, if contrary to the rules of a course, work previously presented in another course; tampering with the laboratory experiment or computer program of another student; knowingly and intentionally assisting another student in any of the above, including assistance in an arrangement whereby any work, classroom performance, examination or other activity is submitted or performed by a person other than the student under whose name the work is submitted or performed.

# **Clery Act**

The US Department of Education requires universities to disclose and publish campus crime statistics, security information, and fire safety information annually. Statistics for the three previous calendar years and policy statements are released on or before October 1<sup>st</sup> in our <u>Annual Security</u> <u>Report</u>. Another requirement of the Clery Act is that the campus community must be given timely warnings of ongoing safety threats and immediate/emergency notifications. For more information about when and how these notices will be sent out, please see our <u>Jeanne Clery Act</u> page.

# **Commit to Integrity**

As a student in this course (and at this university) you are expected to maintain high degrees of professionalism, commitment to active learning and participation in this class and also integrity in your behavior in and out of the classroom.

# Confidentiality

Learning requires risk-taking and sharing ideas. Please keep your classmates' ideas and experiences confidential outside the classroom unless permission has been granted to share them.

# **Copyright infringement**

This is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act. Each year students violate these laws and campus policies, putting themselves at risk of federal prosecution. For more information about what to expect if you are caught, or to take preventive measures to keep your computing device clean, visit our <u>copyright page</u>.

# **Dropping UWSP Courses**

It is the student's responsibility to understand when they need to consider unenrolling from a course. Refer to the UWSP <u>Academic Calendar</u> for dates and deadlines for registration. After this period, a serious and compelling reason is required to drop from the course. Serious and compelling reasons includes: (1) documented and significant change in work hours, leaving student unable to attend class, or (2) documented and severe physical/mental illness/injury to the student or student's family.

# **Drug Free Schools and Communities Act**

The Drug Free Schools and Communities Act (DFSCA) requires institutions of higher education to establish policies that address unlawful possession, use, or distribution of alcohol and illicit drugs. The DFSCA also requires the establishment of a drug and alcohol prevention program. The Center for Prevention lists information about alcohol and drugs, their effects, and the legal consequences if found in possession of these substances. <u>Center for Prevention – DFSCA</u>

Exceptions to the law include parental notification in cases of alcohol or drug use, and in case of a health or safety concern. FERPA also permits a school to disclose personally identifiable information from a student's education records, without consent, to another school in which the student seeks or intends to enroll.

Lecture materials and recordings are protected intellectual property at UW-Stevens Point. Students in this course may use the materials and recordings for their personal use related to participation in this class. Students may also take notes solely for their personal use. The following netiquette tips will enhance the learning experience for everyone in the course:

- Do not dominate any discussion.
- Give other students the opportunity to join in the discussion.
- Do not use offensive language. Present ideas appropriately.
- Be cautious in using Internet language. For example, do not capitalize all letters since this suggests shouting.
- Popular emoticons such as (3) or / can be helpful to convey your tone but do not overdo or overuse them.
- Avoid using vernacular and/or slang language. This could possibly lead to misinterpretation.
- Never make fun of someone's ability to read or write.
- Share tips with other students.
- Keep an "open-mind" and be willing to express even your minority opinion. Minority opinions have to be respected.
- Think and edit before you push the "Send" button.
- Do not hesitate to ask for feedback.
- Using humor is acceptable

# **Religious Beliefs Accommodation**

It is UW System policy ( $\underline{\text{UWS 22}}$ ) to reasonably accommodate your sincerely held religious beliefs with respect to all examinations and other academic requirements.

You will be permitted to make up an exam or other academic requirement at another time or by an alternative method, without any prejudicial effect, if:

- There is a scheduling conflict between your sincerely held religious beliefs and taking the exam or meeting the academic requirements; and
- You have notified your instructor within the first three weeks of the beginning of classes (first week of summer or interim courses) of the specific days or dates that you will request relief from an examination or academic requirement.
- Your instructor will accept the sincerity of your religious beliefs at face value and keep your request confidential.
- Your instructor will schedule a make-up exam or requirement before or after the regularly scheduled exam or requirement.

• You may file any complaints regarding compliance with this policy in the Equity and Affirmative Action Office.

# Title IX

UW-Stevens Point is committed to fostering a safe, productive learning environment. Title IX and institutional policy prohibit discrimination on the basis of sex, which includes harassment, domestic and dating violence, sexual assault, and stalking. In the event that you choose to disclose information about having survived sexual violence, including harassment, rape, sexual assault, dating violence, domestic violence, or stalking, and specify that this violence occurred while a student at UWSP, federal and state laws mandate that I, as your instructor, notify the Title IX Coordinator/Office of the Dean of Students.

Please see the information on the <u>Dean of Students webpage</u> for information on making confidential reports of misconduct or interpersonal violence, as well as campus and community resources available to students. For more information see the <u>Title IX page</u>.
