Assessment and Intervention Strategies for Children with Disabilities in the Primary Grades and Their Families (3 credits)

Instructor: Mariah Pfundheller
Office: CPS 456
Email Address: mpfundhe@uwsp.edu
Office Hours: Tuesdays and Thursdays from 8:30am-10:30am, Tuesdays virtually from 5-7:00pm and Fridays 10:45am-12:45pm

Prerequisite:

Education 351/551 or consent of instructor.

Important Note: This syllabus, along with course assignments and due dates, are subject to change. It is the student's responsibility to check Canvas for corrections or updates to the syllabus. Any changes will be clearly noted in a course announcement and/or through email.

Catalog Description:

Develop skills in assessment procedures and intervention strategies to utilize with children (five through eight years) experiencing kindergarten and primary curricula, early academic skills; and social/behavioral areas, and in cooperation with family members and related services professionals. Includes field experience.

Learning Outcomes:

1. Standard 2: Partnering with Families

Candidates use their knowledge of family-centered practices and family systems theory to develop and maintain reciprocal partnerships with families. They apply family capacity-building practices as they support families to make informed decisions and advocate for their young children. They engage families in opportunities that build on their existing strengths, reflect current goals, and foster family competence and confidence to support their children's development and learning.

- Field Experience

2. Standard 4: Assessment Processes

Candidates know and understand the purposes of assessment in relation to ethical and legal considerations. Candidates choose developmentally, linguistically, and culturally appropriate tools and methods that are responsive to the characteristics of the young child, family, and program. Using evidence-based practices, candidates develop or select as well as administer informal measures, and select and administer formal measures in partnership with families and other professionals. They analyze, interpret, document, and share assessment information using a

strengths-based approach with families and other professionals for eligibility determination, outcome/goal development, planning instruction and intervention, monitoring progress, and reporting.

- Tommy's IEP

3. Standard 5: Application of Curriculum Frameworks in the Planning of Meaningful Learning Experience

Candidates collaborate with families and professionals to use an evidence-based, developmentally appropriate, and culturally responsive early childhood curriculum addressing developmental and content domains. Candidates use curriculum frameworks to create and support universally designed, high quality learning experiences in natural and inclusive environments that provide each child and family with equitable access and opportunities for learning and growth.

- Comprehensive Lesson Plan Project

4. Standard 6: Using Responsive and Reciprocal Interactions, Interventions, and Instruction.

Candidates plan and implement intentional, systematic, evidence-based, responsive interactions, interventions, and instruction to support all children's learning and development across all developmental and content domains in partnership with families and other professionals. Candidates facilitate equitable access and participation for all children and families within natural and inclusive environments through culturally responsive and affirming practices and relationships. Candidates use data-based decision-making to plan for, adapt, and improve interactions, interventions, and instruction to ensure fidelity of implementation.

Skill Competencies:

These competencies are listed by each topical section within the

syllabus. Required and Recommended Readings:

Each topical section of the course lists required and recommended readings. Each student will read all required readings prior to the respective class. Please check the Canvas website as appropriate or you will be provided with a copy of any required reading the week prior to the due date.

Required Texts:

There is no textbook. All readings are on canvas.

Resources:

[Common Core State Standards \(CCSS\)](#)

Accommodation for Religious Observances:

Students will be allowed to complete requirements that are missed because of a religious observance.

I. Netiquette

- Netiquette is a set of rules for behaving properly online. Your instructor and fellow students wish to foster a safe online learning environment. All opinions and experiences, no matter how different or controversial they may be perceived, must be respected in the tolerant spirit of academic discourse. You are encouraged to comment, question, or critique an idea but you are not to attack an individual.
- Working as a community of learners, we can build a polite and respectful course community.
- The following netiquette tips will enhance the learning experience for everyone in the course:
 - Do not dominate any discussion.
 - Give other students the opportunity to join in the discussion.
 - Do not use offensive language. Present ideas appropriately.
 - Be cautious in using Internet language. For example, do not capitalize all letters since this suggests shouting.
 - Popular emoticons such as ☺ or / can be helpful to convey your tone but do not overdo or overuse them.
 - Avoid using slang language. This could possibly lead to misinterpretation.
 - Never make fun of someone's ability to read or write.
 - Share tips with other students.
 - Keep an "open-mind" and be willing to express even your minority opinion. Minority opinions have to be respected.
 - Think and edit before you push the "Send" button.
 - Do not hesitate to ask for feedback.
 - Using humor is acceptable.

I. Communicating with Your Instructor

- You can reach me via:
 - Email is the quickest way to reach me at: mpfundhe@uwsp.edu
 - Videoconference is also available by request.
- Office Hours: I am available without an appointment on the days/times listed on the first page of the syllabus. Individual meetings can be arranged through an email request, phone call, or conversation directly before or after class. I do not hold normal office hours during the following weeks: (Fall Break, Spring Break, Winter Break, Summer Break, and finals weeks.)
- Communicate Clearly: Remember some faculty receive as many as 100 emails per day. Yours should be clear, concise, and professional so that your issues can be responded to effectively. Include the entire thread of an ongoing email conversation so that your instructor can recall the history of your issue without searching for other emails you have sent. Sign off with your first and last name. I will not open attachments without messages or messages that are illegible.

- I will attempt to respond to student emails within 48 hours. If you have not received a reply from me within 72 hours please resend your email.

I. Technology Guidelines

- **Technology Access:** You will need access to the following tools to participate in this course: webcam, microphone, a stable internet connection (don't rely on cellular).
- **Cell Phone Usage:** Research supports that having visual access to a cell phone diminishes our ability to learn. Checking social media, texts, emails, and messages is unprofessional and disrespectful to our class community. Please turn off your phone during class; I will do so as well. If I notice that you are using your phone during class, I may ask you to share what you are researching or ask you to put it away. Thank you for following these guidelines as they help create a positive learning community.
- **Participation with Online Tools:** This course requires posting of work online that is viewable only by your classmates. None of the work submitted online will be shared publicly. Some assignments require account creation for online programs. Your academic records (grades, student IDs, personal identification information) will not be shared by the instructor of this course. Confidentiality of student work is imperative, so you should not share the work of your peers publicly without their permission. By participating in these assignments, you are giving consent to sharing your work with others in this class and you recognize there is a small risk of your work being shared online beyond the purposes of this course. If you elect to not participate in these online assignments due to confidentiality concerns, then an alternate assignment will be offered to you.
- **Technical Assistance:** If you need technical assistance at any time during the course or to report a problem with Canvas you can seek assistance from the

Understand When You May Drop This Course

- It is the student's responsibility to understand when they need to consider unenrolling from a course. Refer to the UWSP [Academic Calendar](#) for dates and deadlines for registration. After this period, a serious and compelling reason is required to drop from the course. Serious and compelling reasons include: (1) documented and significant change in work hours leaving students unable to attend class, or (2) documented and severe physical/mental illness/injury to the student or student's family.

II. Incomplete Policy

- Under emergency/special circumstances, students may petition for an incomplete grade. An incomplete will only be assigned at instructor discretion. All incomplete course assignments must be completed within the timeframe outlined by a plan agreed upon by the student and instructor

I.Equal Access for Students with Disabilities

- UW-Stevens Point will modify academic program requirements as necessary to ensure that they do not discriminate against students with disabilities. The modifications should not affect the substance of educational programs or compromise academic standards; nor should they intrude upon academic freedom. Examinations or other procedures used for evaluating students' academic achievements may be adapted. The results of such evaluation must demonstrate the student's achievement in the academic activity, rather than describe his/her disability.
- The Americans with Disabilities Act (ADA) is a federal law requiring educational institutions to provide reasonable accommodations for students with disabilities. UWSP is committed to providing reasonable and appropriate accommodations to students with disabilities and temporary impairments.
- If you have a documented disability and verification from the Disability and Assistive Technology Center and wish to discuss academic accommodations, please contact your instructor as soon as possible. It is the student's responsibility to provide documentation of disability to Disability Services and meet with a Disability Services counselor to request special accommodation *before* classes start.
- If you suspect you have a disability or acquire a condition during the semester where you need assistance, please contact the Disability and Assistive Technology Center on the 6th floor of Albertson Hall (library) as soon as possible to complete an Accommodations Request form. DATC can be reached at 715-346-3365 or DATC@uwsp.edu.
- For more information about UWSP's policies, visit: <https://www.uwsp.edu/datc/Pages/default.aspx>

I.Inclusivity Statement

- It is my intent that students from all diverse backgrounds and perspectives be well-served by this course, that students' learning needs be addressed both in and out of class, and that the diversity that the students bring to this class be viewed as a resource, strength and benefit. It is my intent to present materials and activities that are respectful of diversity: gender identity, sexuality, disability, age, socioeconomic status, ethnicity, race, nationality, religion, and culture. Your suggestions are encouraged and appreciated. Please let me know ways to improve the effectiveness of the course for you personally, or for other students or student groups.
- If you have experienced a bias incident (an act of conduct, speech, or expression to which a bias motive is evident as a contributing factor regardless of whether the act is criminal) at UWSP, you have the right to report it using this [link](#). You may also contact the Dean of Students office directly at dos@uwsp.edu.

- **UWSP Service Desk:** The Office of Information Technology (IT) provides a Service Desk to assist students with connecting to the Campus Network, virus and spyware removal, file recovery, equipment loan, and computer repair. You can contact the Service Desk via email at techhelp@uwsp.edu or at (715) 346-4357 (HELP) or visit this [link for more information](#).
- **Care Team:** The University of Wisconsin-Stevens Point is committed to the safety and success of all students. The Office of the Dean of Students supports the campus community by reaching out and providing resources in areas where a student may be struggling or experiencing barriers to their success. Faculty and staff are asked to be proactive, supportive, and involved in facilitating the success of our students through early detection, reporting, and intervention. As your instructor, I may contact the Office of the Dean of Students if I sense you are in need of additional support which individually I may not be able to provide. You may also share a concern if you or another member of our campus community needs support, is distressed, or exhibits concerning behavior that is interfering with the academic or personal success or the safety of others, by reporting [here](#).

I. Academic Integrity

- Academic Integrity is an expectation of each UW-Stevens Point student. Campus community members are responsible for fostering and upholding an environment in which student learning is fair, just, and honest. Through your studies as a student, it is essential to exhibit the highest level of personal honesty and respect for the intellectual property of others. Academic misconduct is unacceptable. It compromises and disrespects the integrity of our university and those who study here. To maintain academic integrity, a student must only claim work which is the authentic work solely of their own, providing correct citations and credit to others as needed. Cheating, fabrication, plagiarism, unauthorized collaboration, and/or helping others commit these acts are examples of academic misconduct, which can result in disciplinary action. Failure to understand what constitutes academic misconduct does not exempt responsibility from engaging in it.
- Academic integrity is central to the mission of higher education in general and UWSP in particular. Academic dishonesty (cheating, plagiarism etc.) is taken very seriously. Don't do it. Students suspected of academic misconduct will be asked to meet with the instructor to discuss the concerns. If academic misconduct is

evident, procedures for determining disciplinary sanctions will be followed as outlined in the [University System Administrative Code, Chapter 14](#). For more information, see the [UWSP Student Conduct Process Website](#)

- UWSP Academic Honesty Policy & Procedures

Student Academic Disciplinary Procedures

UWSP 14.01 Statement of principles.

The board of regents, administrators, faculty, academic staff and students of the university of Wisconsin system believe that academic honesty and integrity are fundamental to the mission of higher education and of the university of Wisconsin system. The university has a responsibility to promote academic honesty and integrity and to develop procedures to deal effectively with instances of academic dishonesty. Students are responsible for the honest completion and representation of their work, for the appropriate citation of sources, and for respect of others' academic endeavors. Students who violate these standards must be confronted and must accept the consequences of their actions.

UWSP 14.03 Academic misconduct subject to disciplinary action.

(1) Academic misconduct is an act in which a student:

- (a) Seeks to claim credit for the work or efforts of another without authorization or citation;
- (b) Uses unauthorized materials or fabricated data in any academic exercise;
- (c) Forges or falsifies academic documents or records;
- (d) Intentionally impedes or damages the academic work of others;
- (e) Engages in conduct aimed at making false representation of a student's academic performance; or
- (f) Assists other students in any of these acts.

(2) Examples of academic misconduct include, but are not limited to:

cheating on an examination; collaborating with others in work to be presented, contrary to the stated rules of the course; submitting a paper or assignment as one's own work when a part or all of the paper or assignment is the work of another; submitting a paper or assignment that contains ideas or research of others without appropriately identifying the sources of those ideas; stealing examinations or course materials; submitting, if contrary to the rules of a course, work previously presented in another course; tampering with the laboratory experiment or computer program of another student; knowingly and intentionally assisting another student in any of the above, including assistance in an arrangement whereby any work, classroom performance, examination or other activity is submitted or performed by a person other than the student under whose name the work is submitted or performed.

I. Confidentiality:

- Learning requires risk-taking and sharing ideas. Please keep your classmates' ideas and experiences confidential outside the classroom unless permission has been granted to share them.

II. Religious Observances

- **Religious Beliefs Accommodation:** It is UW System policy ([UWS 22](#)) to reasonably accommodate your sincerely held religious beliefs with respect to all examinations and other academic requirements. You will be permitted to make up an exam or other academic requirement at another time or by an alternative method, without any prejudicial effect, if:
 - There is a scheduling conflict between your sincerely held religious beliefs and taking the exam or meeting the academic requirements; and
 - You have notified your instructor within the first three weeks of the beginning of classes (first week of summer or interim courses) of the specific days or dates that you will request relief from an examination or academic requirement.
 - Your instructor will accept the sincerity of your religious beliefs at face value and keep your request confidential.
 - Your instructor will schedule a make-up exam or requirement before or after the regularly scheduled exam or requirement.
 - You may file any complaints regarding compliance with this policy in the Equity and Affirmative Action Office.

III. Absences due to Military Service

- As stated in the UWSP Catalog, you will not be penalized for class absence due to unavoidable or legitimate required military obligations, or medical appointments at a VA facility, not to exceed two (2) weeks unless special permission is granted by the instructor. You are responsible for notifying faculty members of such circumstances as far in advance as possible and for providing documentation to the Office of the Dean of Students to verify the reason for the absence. The faculty member is responsible to provide reasonable accommodations or opportunities to make up exams or other course assignments that have an impact on the course grade. For absences due to being deployed for active duty, please refer to the Military Call-Up Instructions for Students

IV. Other Campus Policies

- FERPA: The [Family Educational Rights and Privacy Act](#) (FERPA) provides students with a right to protect, review, and correct their student records. Staff of the university with a clear *educational need to know* may also have access to certain student records. Exceptions to the law include parental notification in cases of alcohol or drug use, and in case of a health or safety concern. FERPA also permits a school to disclose personally identifiable information from a student's education records, without consent, to another school in which the student seeks or intends to enroll.
- Title IX: UW-Stevens Point is committed to fostering a safe, productive learning environment. Title IX and institutional policy prohibit discrimination on the basis

of sex, which includes harassment, domestic and dating violence, sexual assault, and stalking. In the event that you choose to disclose information about having survived sexual violence, including harassment, rape, sexual assault, dating violence, domestic violence, or stalking, and specify that this violence occurred while a student at UWSP, federal and state laws mandate that I, as your instructor, notify the Title IX Coordinator/Office of the Dean of Students. Please see the information on the [Dean of Students webpage](#) for information on making confidential reports of misconduct or interpersonal violence, as well as campus and community resources available to students. For more information see the [Title IX page](#).

- Clery Act: The US Department of Education requires universities to disclose and publish campus crime statistics, security information, and fire safety information annually. Statistics for the three previous calendar years and policy statements are released on or before October 1st in our [Annual Security Report](#). Another requirement of the Clery Act is that the campus community must be given timely warnings of ongoing safety threats and immediate/emergency notifications. For more information about when and how these notices will be sent out, please see our [Jeanne Clery Act](#) page.
- Drug Free Schools and Communities Act: The Drug Free Schools and Communities Act (DFSCA) requires institutions of higher education to establish policies that address unlawful possession, use, or distribution of alcohol and illicit drugs. The DFSCA also requires the establishment of a drug and alcohol prevention program. The Center for Prevention lists information about alcohol and drugs, their effects, and the legal consequences if found in possession of these substances. [Center for Prevention – DFSCA](#)
- Copyright infringement: This is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act. Each year students violate these laws and campus policies, putting themselves at risk of federal prosecution. For more information about what to expect if you are caught, or to take preventive measures to keep your computing device clean, visit our [copyright page](#).

I. COVID-19 Policies

- Face Coverings: At all UW-Stevens Point campus locations, the wearing of face coverings is mandatory in all buildings, including classrooms, laboratories, studios, and other instructional spaces. Any student with a condition that impacts their use of a face covering should contact the Disability and Assistive Technology Center to discuss accommodations in classes. Please note that unless everyone is wearing a face covering, in-person classes cannot take place. This is university policy and not up to the discretion of individual instructors. Failure to adhere to this requirement could result in formal withdrawal from the course. (This policy is not applicable to our online/virtual classroom course.)
- Other Guidance:
 - Please monitor your own health each day using this screening tool. If you are not feeling well or believe you have been exposed to COVID-19, do not come to class; email your instructor and contact Student Health Service (715-346-4646).

- As with any type of absence, students are expected to communicate their need to be absent and complete the course requirements as outlined in the syllabus.
- Maintain a minimum of 6 feet of physical distance from others whenever possible.
- Do not congregate in groups before or after class; stagger your arrival and departure from the classroom, lab, or meeting room.
- Wash your hands or use appropriate hand sanitizer regularly and avoid touching your face.
- Please maintain these same healthy practices outside the classroom.

For your health and safety, UW-Stevens Point:

- Requires all students, employees and visitors to any UW-Stevens Point campus or facility to wear face coverings when inside campus buildings. The mask policy is in effect until Sept. 30. See the [chancellor's updated mask mandate](#).
- Requires unvaccinated residence hall students to be [tested](#) twice during the first 10 days of arrival on campus, then every other week until at least Sept. 30.
- Strongly encourages unvaccinated students residing off campus to be tested regularly and complete the daily symptom screening.
- Requires unvaccinated employees to have testing every other week and complete the daily symptom screening.
- Strongly encourages all students, faculty and staff to get vaccinated as soon as possible. While not required, vaccination is the surest way to protect yourself from serious illness.

Vaccines are available:

For students at Student Health Services in Delzell Hall:

- Walk-in Mondays and Thursdays, 1-3 p.m., Wednesdays, 9-11 a.m.
- By appointment at 715-346-4646

For students, UWSP employees and community members at DeBot Dining Center, Lower DeBot Conference Room:

- Monday, Aug. 30, 10:30 a.m.-2 p.m.
- Tuesday, Aug. 31, 11:30 am.-1 p.m.
- Thursday, Sept. 2, 10:30 a.m.-2 p.m.

The first dose of the Pfizer vaccine, fully approved by the FDA, as well as a limited number of the one-dose Johnson and Johnson vaccine will be available. Instructions will be given on how to contact vaccine providers for a second dose of the Pfizer vaccine.

Fully vaccinated students who upload their vaccination record to our [secure online portal](#) are eligible for [prizes from UWSP](#) and \$100 incentive from the [Wisconsin Department of Health Services](#) and also may be eligible for the UW System [“Vax Up! 70 for 70”](#) scholarship incentive.

If you have questions or concerns, see our [COVID-19 site](#) or contact UWSP Student Health Service at health.services.office@uwsp.edu.

UW-Stevens Point continues to monitor COVID-19 transmission rates, which remain high in the five counties where we have facilities and will revisit our face covering policy as public health warrants. We continue to follow the guidance of local, state and federal health experts and UW System leaders.

Thank you for your taking responsibility for your own health and keeping our campus communities safe so we may continue to have in-person classes, events and activities this fall.

II.School of Education Policies

- Students **MUST** achieve a grade of “C-“ or higher for teacher certification. Any grade lower than a “C-“ will require a repeat of the course.

III.Student Expectations

- Complete the assigned readings before participating in the activities corresponding to the chapters.
- Type and double-space all written assignments. Use proper spelling, punctuation, and grammar. Proofread work before submitting it for a grade.
- Email the professor if a life event arises that will cause you to not participate and/or submit assignments on time.
- Participate in class discussions and activities. Active participation in class is an important part of the learning process and development of educational professionalism.
- Conduct yourself as a professional educator should conduct him/herself.
- Use “people first” language in all interactions.
- Apply high levels of scholarship and ethics to explore matters in regard to educating students with special needs.
- Make an appointment to discuss questions regarding grades/other concerns with me privately.
- Understand and display growth and development of the [UWSP “Teacher Dispositions.”](#)

- You are welcome to take notes on tablets and/or laptops, however, I view usage unrelated to immediate course activities as unprofessional and disrespectful and will deduct attendance/participation points. This means you should abstain from looking up information about the final exam during our third day of class or even teaching-related videos/posters on Facebook, for example, until break time or after our meeting for the day has ended.

IV.Late Work Policy

- Submit all assignments by the posted due date to the appropriate location by 11:59pm on the due date. Assignments turned in after the due date will be downgraded **5%** from the earned grade per day. Please ask before the assignment is due if you need an extension; in most cases I will grant one.

V.Viewing Grades/Feedback in Canvas

- I will attempt to grade written work within 1 week, however longer written assignments may take me longer to read and assess.

Attendance:

Information shared among class members cannot be read in articles. This interaction is too valuable a source of information to miss and cannot be recreated or “made up.” In case an emergency arises, you must contact the instructor prior to class if you are unable to attend. If you are absent, you are responsible for completing any in-class assignments within a five-day period. Any assignment not received within five days will be given a score of zero. Absences will be allowed only for emergencies. There are only three class sessions and it is important to attend each class.

Field Experience:

All students will observe and/or participate in a classroom serving birth - 3rd grade with disabilities for a total of twenty (20) hours.

UWSP Community Bill of Rights and Responsibilities

UWSP values a safe, honest, respectful, and inviting learning environment. In order to ensure that each student has the opportunity to succeed, a set of expectations have been developed for all students and instructors. This set of expectations is known as the Rights and Responsibilities document, and it is intended to help establish a positive living and learning environment at UWSP. For more information go to:

<http://www.uwsp.edu/stuaffairs/Pages/rightsandresponsibilites.aspx>.

The Rights and Responsibilities document also includes the policies regarding academic misconduct, which can be found in Chapter 14. A direct link can be found here:

<http://www.uwsp.edu/stuaffairs/Documents/RightsRespons/SRR-2010/rightsChap14.pdf>.

Americans with Disabilities Act

Students **must receive a C-** or better in all Early Childhood Education and Education courses required for teacher certification. Failure to earn a C- or higher will result in the

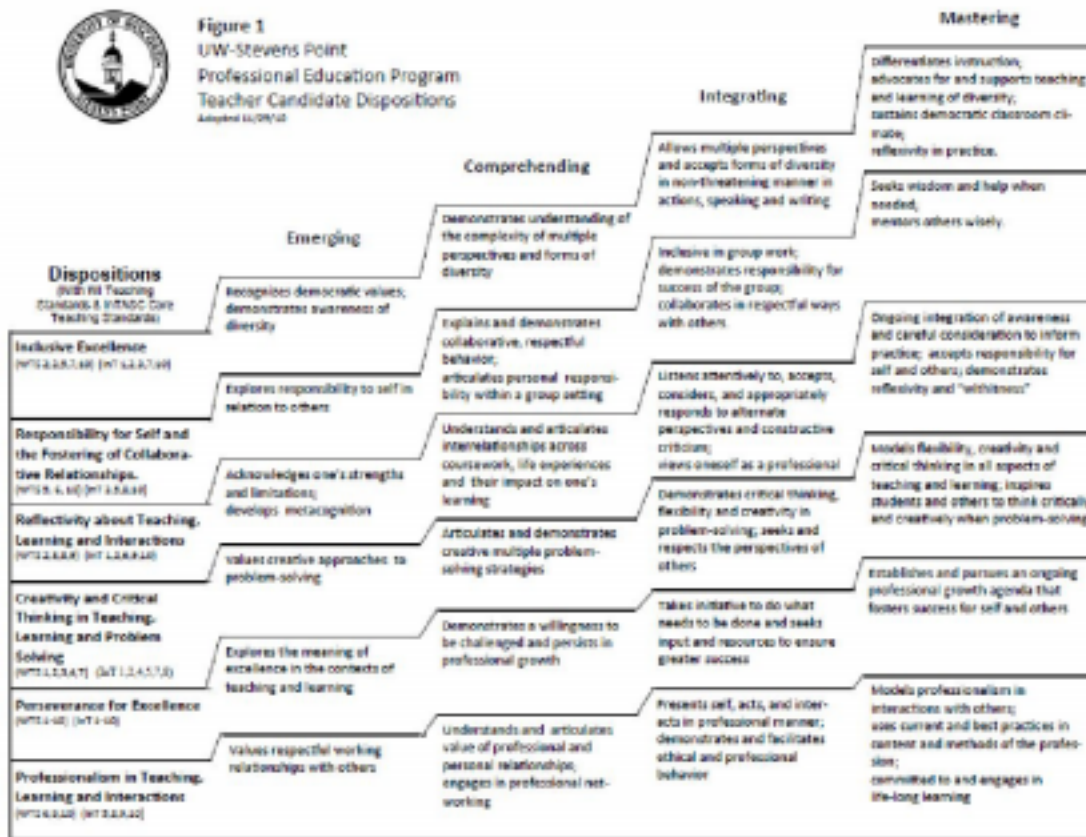

student needing to repeat the course.
