Course Description

Exploration of resilience and health and wellness practices for managing stress and promoting positive lifestyles.

Course Learning Outcomes

Graduate students participating in this course will:

1. Understand core components of resilience and self-care.
2. Evaluate the effectiveness of various stress reduction techniques.
3. Develop a personal stress profile with aligned strategies for stress management.
4. Apply techniques for building resilience.
5. Design a self-care for building resilience to stress.
6. Explore the application of trauma sensitive and stress reduction strategies in the workplace.

Master's of Education Program Outcomes

Master's degree graduates will demonstrate:

1. The application of graduate-level knowledge in core and research areas, as well as in the chosen emphasis area or, if seeking a general Master's degree with no emphasis area, electives.
2. The ability to integrate content knowledge into curricular, instructional, and assessment strategies for students at different educational levels or in the Master's student applicable professional area.
3. The ability to formulate, implement, and sustain evidence-based practices in an educational or professional environment.

Evaluation/Course Requirements

Assignment	Brief Description	Points/Percent of Grade	Learning Outcomes Met (#)	SOE Master's Program Outcomes Met
Weekly Assignments	You will be assigned weekly work (every two weeks are deadlines). These include lectures/videos to watch, readings, online modules, worksheets, discussions, and reflections.	80 (10 points per module) 59%	1, 2, 3, 4, 5, 6, 7, 8	1, 2, 3 (for some assignments)
Final Reflection	You will submit a final reflection where you reflect on your growth and provide evidence of meeting your self-care goals.	25 points 19%	2, 3, 4, 8	1
Accountability Partner Meetings	Six different times you will meet with your accountability partner via Zoom.	25 (5 points per meeting) 22%	1, 2, 3, 4, 5, 6, 7, 8	

Required Course Materials

Required

The Trauma-Sensitive Classroom: Building Resilience with Compassionate Teaching by Patricia A. Jennings. (For all MS in Education students) **Or**

Work without Stress: Building a Resilient Mindset for Lasting Success by Derek Roger and Nick Petrie (For MS in Community and Organizational Leadership or Sustainable and Resilient Food Systems students)

Optional

Onward: Cultivating Emotional Resilience in Educators by Elena Aguilar.

The Onward Workbook: Daily Activities to Cultivate Your Emotional Resilience and Thrive by Elena Aguilar.

180 Days of Self-Care for Busy Educators by Tina Boogren

Late Work

All work is submitted via Canvas and have due dates assigned. If you need an extension on an assignment, please reach out MINIMALLY 24 hours prior to the deadline, during the standard work week (M-Fr). Those are often granted. If work is not submitted on time, without prior arrangement, there will be a 25% reduction in your grade for each day late.

Technology Guidelines

This course will use Google Docs and Canvas. You are allowed to use a personal or work Google Docs (gmail) account, with the acknowledgement you are familiar with Google's privacy policies and how they use your data. [HERE is a link](#) that can help you understand how Google uses your data. By selecting to use a non-university issued google account, you are waiving legal protections provided by a G Suite for Education account (including FERPA). These protections are assured if you use a G Suite for Education Account provided by a school district you work for and use that account.

Inclusivity Statement

It is my intent that students from all diverse backgrounds and perspectives be well-served by this course, that students' learning needs be addressed both in and out of class, and that the diversity that the students bring to this class be viewed as a resource, strength and benefit. It is my intent to present materials and activities that are respectful of diversity: gender identity, sexuality, disability, age, socioeconomic status, ethnicity, race, nationality, religion, and culture. Your suggestions are encouraged and appreciated. Please let me know ways to improve the effectiveness of the course for you personally, or for other students or student groups.

If you have experienced a bias incident (an act of conduct, speech, or expression to which a bias motive is evident as a contributing factor regardless of whether the act is criminal) at UWSP, you have the right to report it using this [link](#). You may also contact the Dean of Students office directly at dos@uwsp.edu.

Learning Styles

In recognition that each person learns and retains in individual and distinct manners, instruction will vary in methodology in an attempt to accommodate all learners. This includes hands-on activities, lectures, written assignments, discussions, and individual and group work. This instructor welcomes your input if you do not feel your learning style is being accommodated. There is a discussion board on Canvas titled Concerns and you can post your concerns there anonymously. Please note that the instructor is very welcoming and would even prefer an office visit or phone call to discuss concerns.

Netiquette

Netiquette is a set of rules for behaving properly online. Your instructor and fellow students wish to foster a safe online learning environment. All opinions and experiences, no matter how different or controversial they may be perceived, must be respected in the tolerant spirit of academic discourse. You are encouraged to comment,

question, or critique an idea but you are not to attack an individual. Working as a community of learners, we can build a polite and respectful course community.

The following netiquette tips will enhance the learning experience for everyone in the course:

- Do not dominate any discussion. Give other students the opportunity to join in the discussion.
- Do not use offensive language. Present ideas appropriately.
- Be cautious in using Internet language. For example, do not capitalize all letters since this suggests shouting.
- Popular emoticons such as ☺ or / can be helpful to convey your tone but do not overdo or overuse them.
- Avoid using vernacular and/or slang language. This could possibly lead to misinterpretation.
- Never make fun of someone's ability to read or write.
- Share tips with other students.
- Keep an "open-mind" and be willing to express even your minority opinion. Minority opinions have to be respected.
- Think and edit before you push the "Send" button.
- Do not hesitate to ask for feedback.
- Using humor is acceptable.

Confidentiality

Learning requires risk-taking and sharing ideas. Please keep your classmates' ideas and experiences confidential outside the classroom unless permission has been granted to share them. In this class we will be sharing delicate information that needs to remain confidential. Please respect that.

Grading Scale

See Specifications Grading Above.

Communicating with your Instructor

Email is the quickest way to reach me at: kroth@uwsp.edu

Call my office at any time (715-346-3360). Leave a voicemail if I do not answer.

Zoom Videoconference is also available by request.

Communicate Clearly

Remember some faculty receive as many as 100 emails per day. Yours should be clear, concise, and professional so that your issues can be responded to effectively. Include the entire thread of an ongoing email conversation so that your instructor can recall the history of your issue without searching for other emails you have sent. Sign off with your first and last name. I will not open attachments without messages or messages that are illegible.

Office Hours

Due to COVID-19 I will be holding online office hours at your convenience (through appointments). Please schedule a Zoom chat with me (link above) whenever you have a question or need some guidance. I am eager to assist you.

Attendance

This is a fully online course. Your “attendance” will be monitored through logins to Canvas, submission of work, engagement in discussions, and access of materials.

Please refer to the “Absences due to Military Service” and “Religious Beliefs Accommodation” below.

Additionally, below are attendance guidelines as outlined by the [UWSP registrar](#):

Attend all your classes regularly. We do not have a system of permitted "cuts."

If you decide to drop a class, please do so using AccesSPoint or visit the Enrollment Services Center.

Changes in class enrollment will impact your tuition and fee balance, financial aid award and veteran’s educational benefit.

During the first eight days of the regular 16-week term, your instructor will take attendance. If you are not in attendance, you may be dropped from the class. You are responsible for dropping any of your enrolled classes.

- If you must be absent during the term, tell your instructor prior to the class you will miss. If you cannot reach your instructor(s) in an emergency, contact the Dean of Students Office at 715-346-2611 or DOS@uwsp.edu.
- If you are dropped from a class due to non-attendance, you may only be reinstated to the class section using the class add process. Reinstatement to the same section or course is not guaranteed. Your instructors will explain their specific attendance policies to be followed at the beginning of each course.
- If you take part in an off-campus trip by an authorized university group such as an athletic team, musical or dramatic organization, or a class, make appropriate arrangements in advance with the instructor of each class you will miss. If you are absent from classes because of emergencies, off-campus trips, illness, or the like, your instructors will give you a reasonable amount of help in making up the work you have missed.
- If you enroll in a course and cannot begin attending until after classes have already started, you must first get permission from the department offering the course. Otherwise, you may be required to drop the course.
- If you do not make satisfactory arrangements with your instructors regarding excessive absences, you may be dismissed. If you are dismissed from a class, you will receive an F in that course. If you are dismissed from the University, you will receive an F in all enrolled courses.

Absences due to Military Service

As stated in the UWSP Catalog, you will not be penalized for class absence due to unavoidable or legitimate required military obligations, or medical appointments at a VA facility, [not to exceed two \(2\)](#)

[weeks](#) unless special permission is granted by the instructor. You are responsible for notifying faculty members of such circumstances as far in advance as possible and for providing documentation to the Office of the Dean of Students to verify the reason for the absence. The faculty member is responsible to provide reasonable accommodations or opportunities to make up exams or other course assignments that have an impact on the course grade. For absences due to being deployed for active duty, please refer to the [Military Call-Up Instructions for Students](#).

Religious Beliefs Accommodation

It is UW System policy ([UWS 22](#)) to reasonably accommodate your sincerely held religious beliefs with respect to all examinations and other academic requirements.

You will be permitted to make up an exam or other academic requirement at another time or by an alternative method, without any prejudicial effect, if:

- There is a scheduling conflict between your sincerely held religious beliefs and taking the exam or meeting the academic requirements; and
- You have notified your instructor within the first three weeks of the beginning of classes (first week of summer or interim courses) of the specific days or dates that you will request relief from an examination or academic requirement.
- Your instructor will accept the sincerity of your religious beliefs at face value and keep your request confidential.
- Your instructor will schedule a make-up exam or requirement before or after the regularly scheduled exam or requirement.
- You may file any complaints regarding compliance with this policy in the Equity and Affirmative Action Office.

Equal Access for Students with Disabilities

UW-Stevens Point will modify academic program requirements as necessary to ensure that they do not discriminate against qualified applicants or students with disabilities. The modifications should not affect the substance of educational programs or compromise academic standards; nor should they intrude upon academic freedom. Examinations or other procedures used for evaluating students' academic achievements may be adapted. The results of such evaluation must demonstrate the student's achievement in the academic activity, rather than describe his/her disability.

If modifications are required due to a disability, please inform the instructor and contact the [Disability and Assistive Technology Center](#) to complete an Accommodations Request form. Phone: 346-3365 or Room 609 Albertson Hall.

UWSP Service Desk

The Office of Information Technology (IT) provides a Service Desk to assist students with connecting to the Campus Network, virus and spyware removal, file recovery, equipment loan, and computer repair. You can contact the Service Desk via email at techhelp@uwsp.edu or at (715) 346-4357 (HELP) or visit this [link for more information](#).

Care Team

The University of Wisconsin-Stevens Point is committed to the safety and success of all students. The Office of the Dean of Students supports the campus community by reaching out and providing resources in areas where a student may be struggling or experiencing barriers to their success. Faculty and staff are asked to be proactive, supportive, and involved in facilitating the success of our students through early detection, reporting, and intervention. As your instructor, I may contact the Office of the Dean of Students if I sense you are in need of additional support which individually I may not be able to provide. You may also share a concern if you or another member of our campus community needs support, is distressed, or exhibits concerning behavior that is interfering with the academic or personal success or the safety of others, by reporting [here](#).

Academic Honesty

Academic Integrity is an expectation of each UW-Stevens Point student. Campus community members are responsible for fostering and upholding an environment in which student learning is fair, just, and honest. Through your studies as a student, it is essential to exhibit the highest level of personal honesty and respect for the intellectual property of others. Academic misconduct is unacceptable. It compromises and disrespects the integrity of our university and those who study here. To maintain academic integrity, a student must only claim work which is the authentic work solely of their own, providing correct citations and credit to others as needed. Cheating, fabrication, plagiarism, unauthorized collaboration, and/or helping others commit these acts are examples of academic misconduct, which can result in disciplinary action. Failure to understand what constitutes academic misconduct does not exempt responsibility from engaging in it.

UWSP 14.03 Academic misconduct subject to disciplinary action.

- (1) Academic misconduct is an act in which a student:
 - (a) Seeks to claim credit for the work or efforts of another without authorization or citation;
 - (b) Uses unauthorized materials or fabricated data in any academic exercise;
 - (c) Forges or falsifies academic documents or records;
 - (d) Intentionally impedes or damages the academic work of others;
 - (e) Engages in conduct aimed at making false representation of a student's academic performance; or

(f) Assists other students in any of these acts.

(2) Examples of academic misconduct include, but are not limited to:

- Cheating on an examination
- Collaborating with others in work to be presented, contrary to the stated rules of the course
- Submitting a paper or assignment as one's own work when a part or all of the paper or assignment is the work of another
- Submitting a paper or assignment that contains ideas or research of others without appropriately identifying the sources of those ideas
- Stealing examinations or course materials
- Submitting, if contrary to the rules of a course, work previously presented in another course
- Tampering with the laboratory experiment or computer program of another student
- Knowingly and intentionally assisting another student in any of the above, including assistance in an arrangement whereby any work, classroom performance, examination or other activity is submitted or performed by a person other than the student under whose name the work is submitted or performed.

Students suspected of academic misconduct will be asked to meet with the instructor to discuss the concerns. If academic misconduct is evident, procedures for determining disciplinary sanctions will be followed as outlined in the [University System Administrative Code, Chapter 14](#).

Other Campus Policies

FERPA

The [Family Educational Rights and Privacy Act](#) (FERPA) provides students with a right to protect, review, and correct their student records. Staff of the university with a clear *educational need to know* may also have to access to certain student records. Exceptions to the law include parental notification in cases of alcohol or drug use, and in case of a health or safety concern. FERPA also permits a school to disclose personally identifiable information from a student's education records, without consent, to another school in which the student seeks or intends to enroll.

Title IX

UW-Stevens Point is committed to fostering a safe, productive learning environment. Title IX and institutional policy prohibit discrimination on the basis of sex, which includes harassment, domestic and dating violence, sexual assault, and stalking. In the event that you choose to disclose information about having survived sexual violence, including harassment, rape, sexual assault, dating violence, domestic violence, or stalking, and specify that this violence occurred while a student at UWSP, federal and state laws mandate that I, as your instructor, notify the Title IX Coordinator/Office of the Dean of Students.

Please see the information on the [Dean of Students webpage](#) for information on making confidential reports of misconduct or interpersonal violence, as well as campus and community resources available to students. For more information see the [Title IX page](#).

Clery Act

The US Department of Education requires universities to disclose and publish campus crime statistics, security information, and fire safety information annually. Statistics for the three previous calendar years and policy statements are released on or before October 1st in our [Annual Security Report](#). Another requirement of the Clery Act, is that the campus community must be given timely warnings of ongoing safety threats and immediate/emergency notifications. For more information about when and how these notices will be sent out, please see our [Jeanne Clery Act](#) page.

Drug Free Schools and Communities Act

The Drug Free Schools and Communities Act (DFSCA) requires institutions of higher education to establish policies that address unlawful possession, use, or distribution of alcohol and illicit drugs. The DFSCA also requires the establishment of a drug and alcohol prevention program. The Center for Prevention lists information about alcohol and drugs, their effects, and the legal consequences if found in possession of these substances. [Center for Prevention – DFSCA](#)

Copyright infringement

This is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act. Each year students violate these laws and campus policies, putting themselves at risk of federal prosecution. For more information about what to expect if you are caught, or to take preventive measures to keep your computing device clean, visit our [copyright page](#).
