Course Information

Instructor Information

Instructor: Krista Gylund
Office: Online
Virtual Office Hours: Upon Request
E-mail: kgylund@uwsp.edu

Course Information

Course Description: *EDUC 723 The Psychology of the Classroom. 2 cr.*
Exploration of the impact of psychology and human interaction on teaching, learning, and classroom management. Core concepts of educational psychology will be explored and applied to classroom management techniques.

Credits: 2

Prerequisite: Acceptance into ACEE

Expected Instructor Response Times

- I will attempt to respond to student emails within 24 hours. If you have not received a reply from me within 24 hours, please resend your email.
- I will attempt to reply to and assess student discussion posts within 48 hours of discussions closing.

- I will attempt to grade written work within 72 hours, however longer written assignments may take me longer to read and assess.

Communicate with your Instructor

If you find that you have any trouble keeping up with assignments or other aspects of the course, make sure you let your instructor know as early as possible. As you will find, building rapport and effective relationships are key to becoming an effective professional. Make sure that you are proactive in informing your instructor when difficulties arise during the semester so that we can help you find a solution.

***Textbook & Course Materials (Bibliography)**

Required Texts:

Durwin, C.C., & Reese-Weber, M. (2021). *Ed Psych: Modules* (4th Ed.). Thousand Oaks, CA: SAGE Publications.

Bianco, A. (2002). *One-minute discipline: Classroom management strategies that work!* San Francisco, CA: John Wiley & Sons, Inc.

Recommended Texts & Other Readings: Online (Canvas)

Essential Questions

How will I apply my graduate-level knowledge in core and research areas to classroom practices? [*Discussion Posts, Practice Lesson, & First Week Plan*]

How will I integrate content knowledge into curricular, instructional, and assessment strategies for students at different educational levels or in the master's student applicable professional area? [*Teaching Philosophy & First Week Plan*]

How will I formulate, implement, and sustain evidence-based practices in an educational or professional environment? [*First Week Plan*]

Course Learning Outcomes (CLOs)

A learning outcome is a statement that describes what a student will know (knowledge), be able to do (skill), and/or value/appreciate (disposition) as a result of a learning experience.

Students will be able to:

1. Apply the methods, ideas, and models of learning, development, and behavior to your teaching in general, and to creating safe, inclusive classes where everyone can

succeed.

2. Identify teaching methods/practices that you, as the teacher, can use to deal with classroom management issues.
3. Plan for and respond to student behavior that promotes or impedes safe, inclusive classes where everyone can succeed.
4. Use the InTASC Model Core Teaching Standards in your planning, teaching, and self-evaluation.

You will meet the outcomes listed above through a combination of the following activities in this course:

- Attend Zoom course meetings
- Complete Weekly To-Do lists
- Participate in Weekly Discussions

Course Structure

This course will be delivered entirely online through the course management system Canvas. You will use your UWSP account to login to the course from the [Canvas Login Page](#). If you have not activated your UWSP account, please visit the [Manage Your Account](#) page to do so.

*Attendance

I expect you to come to Zoom class meetings promptly and regularly (contact me if this is a problem), prepared to participate in the activities actively and fully. I expect you to treat me, your colleagues, and anyone else with respect and tolerance. I expect you to take responsibility for managing your life so that you complete all assignments on time. If you are unable to meet these expectations (e.g., attendance, assignments), I expect you to communicate with me and anyone else affected (e.g., your colleagues) as soon as possible, and to suggest a clear, fair plan to address the problem.

I expect you to complete your assignments with integrity. For most assignments, you will be free to use resources and people inside and outside of this course. Some assignments may even require this. However, I expect you to give proper credit for anything that is not your own original work. I urge you to make intellectual integrity a central part of your professional identity. Professionals in a variety of fields routinely use other people's work (e.g., lesson plans in education). But accidentally or deliberately leaving off credit is professionally and morally wrong. I use anti-plagiarism tools. I do not expect my students to plagiarize others' work; rather, you can be confident that no one is plagiarizing your work (e.g., in a future class). If you are unclear on how to give proper credit, please ask me before turning in the assignment.

As a teacher, I align my policy on academic misconduct (e.g., cheating) with [Chapter 14 of the UWSP Bill of Rights and Responsibilities \(Links to an external site.\)](#). This is my general policy: I will allow you to redo the relevant assignment for no more than 50% possible, and you will not be eligible to earn higher than a B+ in this course (UWSP 14.04 (1) (d, e)). I will honor your right to a conference with me, to a written report from me, and to contest my decision (UWSP 14.06 (1, 3)).

*Topic Outline/Schedule

Important Note: Refer to the Canvas course home page for pertinent information. Activity and assignment details will be explained in detail within each week’s corresponding Module. As tasks come due, they will appear in your “to do” list. If you have any questions, please contact your instructor.

Student Expectations

In this course you will be expected to complete the following types of tasks.

- communicate via email
- complete basic internet searches
- download and upload documents to the LMS
- read documents online
- view online videos
- participate in online discussions
- complete quizzes/tests online
- upload documents to Canvas to submit an assignment
- participate in synchronous online discussions

Protecting your Data and Privacy

UW-System approved tools meet security, privacy, and data protection standards. For a list of approved tools, visit this website.

<https://www.wisconsin.edu/dle/external-application-integration-requests/>

Tools not listed on the website linked above may not meet security, privacy, and data protection standards. If you have questions about tools, contact the UWSP IT Service Desk at 715-346-4357.

Here are steps you can take to protect your data and privacy.

- Use different usernames and passwords for each service you use
- Do not use your UWSP username and password for any other services
- Use secure versions of websites whenever possible (HTTPS instead of HTTP)
- Have updated antivirus software installed on your devices

This course requires posting of work online that is viewable only by your classmates. None of the work submitted online will be shared publicly. Some assignments require account creation for online programs. The instructor of this course will not share your academic records (grades, student IDs). Confidentiality of student work is imperative, so you should not share the work of your peers publicly without their permission. By participating in these assignments, you are giving consent to sharing of your work with others in this class and you recognize there is a small risk of your work being shared online beyond the purposes of this course. Examples of additional risks include data mining by the company providing the service, selling of your email to third parties, and release of ownership of data shared through the tool. If you elect to not participate in these online assignments due to confidentiality concerns, then an alternate assignment will be offered to you. **[UWSP Handbook Chapter 9 Section 5]**

Grading Policies

Completing Assignments

All assignments for this course will be submitted electronically through Canvas unless otherwise instructed. Assignments must be submitted by the given deadline or special permission must be requested from the instructor *before the due date* (please see Late Assignment Policy for details). Extensions will not be given beyond the next assignment except under extreme circumstances.

All discussion assignments must be completed by the assignment due date and time. Late or missing discussion assignments will affect the student's

grade.

Graded Course Activities

Here are brief descriptions of the major assignments. Canvas has detailed rubrics and directions which you should read before starting an assignment. Alignment with the course outcomes is listed in parentheses (which is different from the master's degree program outcomes indicated above).

Discussion Posts: You will respond to one or more prompts about the readings and other content. The overall purpose of this assignment is to demonstrate your reflection on the big ideas (standards and principles from current research models) in this course. (Course Outcomes 1, 2, &/or 3)

First Week Plan: You will prepare an agenda of the first week's activities in your class that relate to the learning environment. You explain how each activity helps your students meet the desired outcomes. (Course Outcome 3)

Practice Lesson: You will plan and teach a short lesson. You will be given a topic and detailed requirements for your lesson. (Course Outcomes 1, 2, &/or 3)

Teaching Philosophy Essay: You will explain your professional beliefs about the essentials of quality teaching, and specific strategies you use to achieve those ideals. You must include your perspectives on several specific topics, and you can also address other topics. A variety of smaller assignments scaffold your success on this essay, as the "Path to Teaching Philosophy Essay." (Course Outcomes 1, 2, & 3)

Late Work Policy

I expect you to complete all assignments on time. An assignment completed on time can receive 100% of the points possible. An assignment completed no more than 48 hours late can receive no more than 80% of the points possible. An assignment completed no more than 1 week late can receive no more than 60% of the points possible. After 1 week, I usually refuse to accept a late assignment.

I will not accept any assignments after **Friday, July 8th, 2022, 11:59 pm.**

*Letter Grade Assignment

Your grade is based on how many points you earned (X), divided by how many points you could have earned (Y). Based on that simple division ($X \div Y$), I will assign your final grade:

- 93-100% = A
- 90-92.9% = A-
- 87-89.9% = B+
- 83-86.9% = B

- 80-82.9% = B-
- 77-79.9% = C+
- 73-76.9% = C
- 70-72.9% = C-
- 60-69.9% = D

I reserve the right to bump a grade up (especially if it's close) based on my professional judgment. I will never bump down a grade. I do not give extra credit.

In all Early Childhood Education and Education undergraduate courses, students must receive a C- or better as a requirement for teacher certification. Failure to earn a C- or higher will result in the student needing to repeat the course.

Participation

Students are expected to participate in all online activities as listed on the course calendar by the due dates.

Viewing Grades in Canvas

Points you receive for graded activities will be posted to Grades. Click on the Grades link to view your points.

- I will attempt to reply to and assess student discussion posts within 48 hours of discussions closing.
- I will attempt to grade written work within 72 hours (about 3 days), however longer written assignments may take me longer to read and assess.

Other Policies

Absences due to Military Service

As stated in the UWSP Catalog, you will not be penalized for class absence due to unavoidable or legitimate required military obligations, or medical appointments at a VA facility, [not to exceed two \(2\) weeks](#) unless special permission is granted by the instructor. You are responsible for notifying faculty members of such circumstances as far in advance as possible and for providing documentation to the Office of the Dean of Students to verify the reason for the absence. The faculty member is responsible for providing reasonable accommodations or opportunities to make up exams or other course assignments that have an impact on the course grade. For absences due to being deployed for active duty, please refer to the [Military Call-Up Instructions for Students](#).

Academic Honesty Policy & Procedures

Student Academic Disciplinary Procedures

UWSP 14.01 Statement of principles

The board of regents, administrators, faculty, academic staff and students of the university of Wisconsin system believe that academic honesty and integrity are fundamental to the mission of higher education and of the university of Wisconsin system. The university has a responsibility to promote academic honesty and integrity and to develop procedures to deal effectively with instances of academic dishonesty. Students are responsible for the honest completion and representation of their work, for the appropriate citation of sources, and for respect of others' academic endeavors. Students who violate these standards must be confronted and must accept the consequences of their actions.

UWSP 14.03 Academic misconduct subject to disciplinary action.

(1) Academic misconduct is an act in which a student:

- (a) Seeks to claim credit for the work or efforts of another without authorization or citation;
- (b) Uses unauthorized materials or fabricated data in any academic exercise;
- (c) Forges or falsifies academic documents or records;
- (d) Intentionally impedes or damages the academic work of others;
- (e) Engages in conduct aimed at making false representation of a student's academic performance; or
- (f) Assists other students in any of these acts.

(2) Examples of academic misconduct include, but are not limited to: cheating on an examination; collaborating with others in work to be presented, contrary to the stated rules of the course; submitting a paper or assignment as one's own work when a part or all of the paper or assignment is the work of another; submitting a paper or assignment that contains ideas or research of others without appropriately identifying the sources of those ideas; stealing examinations or course materials; submitting, if contrary to the rules of a course, work previously presented in another course; tampering with the laboratory experiment or computer program of another student; knowingly and intentionally assisting another student in any of the above, including assistance in an arrangement whereby any work, classroom performance, examination or other activity is submitted or performed by a person other than the student under whose name the work is submitted or performed.

Clery Act

The US Department of Education requires universities to disclose and publish campus crime statistics, security information, and fire safety information annually. Statistics for the three previous calendar years and policy statements are released on or before October 1st in our [Annual Security Report](#). Another requirement of the Clery Act, is that the campus community must be given timely warnings of ongoing safety threats and

immediate/emergency notifications. For more information about when and how these notices will be sent out, please see our [Jeanne Clery Act](#) page.

Commit to Integrity

As a student in this course (and at this university) you are expected to maintain high degrees of professionalism, commitment to active learning and participation in this class and also integrity in your behavior in and out of the classroom.

Confidentiality

Learning requires risk-taking and sharing ideas. Please keep your classmates' ideas and experiences confidential outside the classroom unless permission has been granted to share them.

Copyright infringement

This is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act. Each year students violate these laws and campus policies, putting themselves at risk of federal prosecution. For more information about what to expect if you are caught, or to take preventive measures to keep your computing device clean, visit our [copyright page](#).

Dropping UWSP Courses

It is the student's responsibility to understand when they need to consider unenrolling from a course. Refer to the UWSP [Academic Calendar](#) for dates and deadlines for registration. After this period, a serious and compelling reason is required to drop from the course. Serious and compelling reasons includes: (1) documented and significant change in work hours, leaving student unable to attend class, or (2) documented and severe physical/mental illness/injury to the student or student's family.

Drug Free Schools and Communities Act

The Drug Free Schools and Communities Act (DFSCA) requires institutions of higher education to establish policies that address unlawful possession, use, or distribution of alcohol and illicit drugs. The DFSCA also requires the establishment of a drug and alcohol prevention program. The Center for Prevention lists information about alcohol and drugs, their effects, and the legal consequences if found in possession of these substances. [Center for Prevention – DFSCA](#)

Emergency Procedures

- In the event of a **medical emergency call 9-1-1** or use campus phone **[list location in room or nearest your classroom]**. Offer assistance if trained and willing to do so. Guide emergency responders to victim.

- In the event of a **tornado warning, proceed to the lowest level interior room** without window exposure at **[list primary location for shelter closest to classroom,]**. See www.uwsp.edu/rmgt/Pages/em/procedures/other/floor-plans.aspx for floor plans showing severe weather shelters on campus. Avoid wide-span structures (gyms, pools or large classrooms).
- In the event of a **fire alarm, evacuate the building** in a calm manner. Meet at **[state logical location to meet 200 yards away from building]**. Notify instructor or emergency response personnel of any missing individuals.
- **Active Shooter – RUN. HIDE. FIGHT.** If trapped, hide, lock doors, turn off lights, spread out and remain quiet. Call 9-1-1 when it is safe to do so. Follow instructions of emergency responders.
- See UW-Stevens Point Emergency Procedures at www.uwsp.edu/rmgt/Pages/em/procedures for details on all emergency response at UW-Stevens Point.”

***Equal Access for Students with Disabilities**

UW-Stevens Point will modify academic program requirements as necessary to ensure that they do not discriminate against qualified applicants or students with disabilities. The modifications should not affect the substance of educational programs or compromise academic standards; nor should they intrude upon academic freedom. Examinations or other procedures used for evaluating students' academic achievements may be adapted. The results of such evaluation must demonstrate the student's achievement in the academic activity, rather than describe his/her disability.

If modifications are required due to a disability, please inform the instructor and contact the [Disability and Assistive Technology Center](#) to complete an Accommodations Request form. Phone: 346-3365 or Room 609 Albertson Hall.

FERPA

The [Family Educational Rights and Privacy Act](#) (FERPA) provides students with a right to protect, review, and correct their student records. Staff of the university with a clear *educational need to know* may also have to access to certain student records. Exceptions to the law include parental notification in cases of alcohol or drug use, and in case of a health or safety concern. FERPA also permits a school to disclose personally identifiable information from a student's education records, without consent, to another school in which the student seeks or intends to enroll.

Lecture materials and recordings for EDUC 723 are protected intellectual property at UW-Stevens Point. Students in this course may use the materials and recordings for their personal use related to participation in this class. Students may also take notes solely for their personal use. If a lecture is not already recorded, you are not authorized to record my lectures without my permission unless you are considered by the university to be a qualified student with a disability requiring accommodation. [Regent Policy Document 4-1] Students may not copy or share lecture materials and recordings outside of class, including posting on internet sites or selling to commercial entities. Students are also prohibited from providing or selling their personal notes to anyone else or being paid for taking notes by any person or commercial firm without the instructor’s express written permission. Unauthorized use of these copyrighted lecture materials and recordings constitutes copyright infringement and may be addressed under the university's policies, UWS Chapters 14 and 17, governing student academic and non-academic misconduct.

Inclusivity Statement

Adopted from Lynn Hernandez, Brown University:
 It is my intent that students from all diverse backgrounds and perspectives be well-served by this course, that students’ learning needs be addressed both in and out of class, and that the diversity that the students bring to this class be viewed as a resource, strength and benefit. It is my intent to present materials and activities that are respectful of diversity: gender identity, sexuality, disability, age, socioeconomic status, ethnicity, race, nationality, religion, and culture. Your suggestions are encouraged and appreciated. Please let me know ways to improve the effectiveness of the course for you personally, or for other students or student groups.

If you have experienced a bias incident (an act of conduct, speech, or expression to which a bias motive is evident as a contributing factor regardless of whether the act is criminal) at UWSP, you have the right to report it using this [link](#). You may also contact the Dean of Students office directly at dos@uwsp.edu.

Incomplete Policy

Under emergency/special circumstances, students may petition for an incomplete grade. An incomplete will only be assigned if you have a doctor's note or have a problem during the final week of the course. All incomplete course assignments must be completed before the next assignment due date or within a week of the course end date.

Netiquette Guidelines

Netiquette is a set of rules for behaving properly online. Your instructor and fellow students wish to foster a safe online learning environment. All opinions and experiences, no matter how different or controversial they may be perceived, must be respected in the tolerant spirit of academic discourse. You are encouraged to comment, question, or critique an idea but you are not to attack an individual. Working as a community of learners, we can build a polite and respectful course community.

The following netiquette tips will enhance the learning experience for everyone in the course:

- Do not dominate any discussion.
- Give other students the opportunity to join in the discussion.
- Do not use offensive language. Present ideas appropriately.
- Be cautious in using Internet language. For example, do not capitalize all letters since this suggests shouting.
- Popular emoticons such as 😊 or / can be helpful to convey your tone but do not overdo or overuse them.
- Avoid using vernacular and/or slang language. This could possibly lead to misinterpretation.
- Never make fun of someone's ability to read or write.
- Share tips with other students.
- Keep an "open-mind" and be willing to express even your minority opinion. Minority opinions have to be respected.
- Think and edit before you push the "Send" button.
- Do not hesitate to ask for feedback.
- Using humor is acceptable

Religious Beliefs Accommodation

It is UW System policy ([UWS 22](#)) to reasonably accommodate your sincerely held religious beliefs with respect to all examinations and other academic requirements.

You will be permitted to make up an exam or other academic requirement at another time or by an alternative method, without any prejudicial effect, if:

- There is a scheduling conflict between your sincerely held religious beliefs and taking the exam or meeting the academic requirements; and
- You have notified your instructor within the first three weeks of the beginning of classes (first week of summer or interim courses) of the specific days or dates that you will request relief from an examination or academic requirement.
- Your instructor will accept the sincerity of your religious beliefs at face value and keep your request confidential.
- Your instructor will schedule a make-up exam or requirement before or after the regularly scheduled exam or requirement.
- You may file any complaints regarding compliance with this policy in the Equity and Affirmative Action Office.

Title IX

UW-Stevens Point is committed to fostering a safe, productive learning environment. Title IX and institutional policy prohibit discrimination on the basis of sex, which includes harassment, domestic and dating violence, sexual assault, and stalking. In the event that you choose to disclose information about having survived sexual violence, including harassment, rape, sexual assault, dating violence, domestic violence, or stalking, and specify that this violence occurred while a student at UWSP, federal and state laws mandate that I, as your instructor, notify the Title IX Coordinator/Office of the Dean of Students.

Please see the information on the [Dean of Students webpage](#) for information on making confidential reports of misconduct or interpersonal violence, as well as campus and community resources available to students. For more information see the [Title IX page](#).
