

SPANISH 102 – SPRING 2022

In this class we will follow the UWSP Covid-19 protocols. Current UWSP guidelines follow:

Face Coverings

At all UW-Stevens Point campus locations, the proper wearing of face coverings is mandatory in all buildings, including classrooms, laboratories, studios, and other instructional spaces. Any student with a condition that impacts their use of a face covering should contact the Disability and Assistive Technology Center to discuss accommodations in classes. Please note that unless everyone is wearing a face covering, in-person classes cannot take place. This is university policy and not up to the discretion of individual instructors. Failure to adhere to this requirement could result in formal withdrawal from the course.

(From Chancellor Gibson)

Face covering means a piece of cloth or other material that is worn to cover the nose and mouth completely. A face covering must be secured to the head with ties, ear loops or elastic bands that go behind the head and must fit snugly but comfortably against the side of the face. Cloth face coverings must be made with two or more layers of breathable fabric that is tightly woven (i.e., fabrics that do not let light pass through when held up to a light source). A face covering does not include bandanas, single layer neck gaiters, plexiglass barriers, face shields, goggles, scarves, ski masks, balaclavas shirt or sweater collars pulled up over the mouth and nose, or masks with slits, exhalation valves or punctures because public health experts have determined that these types of coverings are ineffective at preventing respiratory droplets from entering the air.

Course Goals and SLOs:

Also, there are readings with short compositions in Spanish on current cultural and personal themes. Every chapter will contain specific activities working on your reading, writing, listening, speaking, and cultural comprehension. Please see the specific chapter goals below:

Expectations:

1. Participation, Attendance, and Preparation: Participation: To receive full credit for participation, you need to participate fully, respect others, arrive on time, not leave early, and not use your cell phone. **Attendance:** If you have more than four absences--with or without an excuse at the end of the semester, you will lose one percentage point for each additional absence from your final grade. If you are not in class, it's your responsibility to obtain the homework from a classmate, not the instructor. **Preparation:** You will be assigned daily sections to study in the textbook.

2. Homework: You will be assigned sections to complete in the electronic Student Activities Manual (eSAM). These activities **will be graded based on completion.**

3. Quizzes: There will be **six quizzes**, one for each chapter, and assigned on VHL Central. All chapter quizzes will be due at 11:59 pm on the day of the quiz for that chapter. You will have access to the quiz from 12:00 am on the day of the quiz. You can take the quiz anytime during this 24 hour period. However, once you start, you will have only 60 minutes to finish the quiz; you will not be able to stop the timer once you start and you cannot leave the test page. In addition, you will be able to submit your answers only once. The lowest quiz will be dropped at the end of the semester.

Grading:

1.	Participation, Attendance, and Preparation	20%
2.	Homework = activities in eSAM (electronic Student Activities Manual, VHL Central)	35%
