What you need to know... PLEASE READ CAREFULLY

1. If you are unvaccinated for COVID-19, you MUST be tested 72 hours before we pick you up or you get dropped off. Please bring documentation showing your test or your vaccination record (unless you provided vaccination record this past summer or past event). This is a University of Wisconsin System requirement.
2. This is REQUIRED for all students, please take off of work or other obligations. If you have a circumstance that warrants missing, you can indicate this on the online RSVP.
3. All students and staff will be required to wear masks indoors and in group settings.
4. Transportation will be provided for students. We will send a bus to pick you up at your high school (or UWSP for Stevens Point area students) and drop you back off Sunday. Masks will be required on the bus.
5. We will be having a campfire outside the cabins to roast marshmallows, so please bring proper winter clothes, including winter coat, hat, gloves mittens. It may still be cold weather during this time!
6. We will be staying in a cabin with bunkbeds. YOU WILL NEED TO BRING YOUR OWN PILLOW AND SLEEPING BAG OR BLANKET(S)! Please don't forget to bring this.

RSVP Online by February 16 - Even if you cannot make it!

You must register online letting us know you if you can or cannot make it! Otherwise we will not know! We are purchasing food for all students, so if you don't tell us you can't make it, we prepay ahead of time for someone who is not there. Help our program save money by letting us know!
