With its strong science, math, music and theatre offerings, the urban Wausau campus has been serving the higher education needs of central Wisconsin since 1933. Located next to the beautiful, 78-acre Marathon Park, campus is walking distance to popular chain restaurants and Wausau’s vibrant downtown. The 400 Block is a popular central location, offering distinctive and locally owned businesses, concerts, community days, coffee shops and farmer’s markets. The city also offers a variety of ethnic eateries, Whitewater Park for canoe and kayak racing and many scenic hiking, biking or walking trails. The Wausau campus is also close to Granite Peak and Nine Mile Forest, well-known recreation areas that attract outdoor enthusiasts from throughout the Midwest.

Build a foundation for success with an Associate of Arts and Sciences (AAS) Degree

The AAS degree puts you on the path to a bachelor’s degree and is transferable to institutions across the UW System. It provides you with a liberal arts general education and a breadth of intellectual and practical skills.

- You must complete a minimum of 60 credits to receive the AAS. When completing these 60 credits, students must satisfy one of the following requirements:

  1. At least 15 of the 60 credits must be earned cumulatively at one of the institution’s three campuses; or

  2. At least 12 of the final 24 credits must be earned cumulatively at one of the institution’s three campuses.

- You must have a cumulative grade point average (GPA) of 2.0 earned cumulatively at one of the institution’s three campuses, and a 2.0 overall GPA in credits applied to the AAS.

- Additional requirements include credits in a variety of categories, including:
  Knowledge of Human Cultures, Knowledge of the Natural World, Critical and Creative Thinking, Written and Oral Communication, Intercultural Knowledge and Competence, and Individual, Social and Environmental Responsibility.
Program Offerings

Most popular majors: business, health sciences, education, sociology, biology

PROFESSIONAL ASSOCIATE DEGREES

Professional associate degree courses prepare students to complete bachelor’s degrees. An associate degree from UW-Stevens Point at Wausau guarantees transfer to other UW institutions with all lower-division general education requirements completed. The transition is seamless to UW-Stevens Point’s main campus for a bachelor’s degree.

BACHELOR’S DEGREES
