References

On this application screen you will enter contact information for 2-3 individuals who are prepared to provide a professional or academic recommendation on your behalf. We will contact your references via email and they will complete an online reference. They will also have the option to upload a personal reference letter. For each reference you will provide—

- Reference Full Name
- Reference Organization Name and Title
- Your Relationship (i.e. manager, professor, etc.)
- Reference Email Address

You will also select your option for waiving access to review the reference information submitted on your behalf.

Your right to access reference information. The majority of applicants will waive the right to view the recommendation information submitted on their behalf. Waiving your right to access ensures the recommendation information maintains confidentiality for the recommender. Under the Family Educational Rights and Privacy Act of 1974, admitted and enrolled students at UWSP have access to their educational records. Educational records may include letters of recommendation on file unless he/she has waived such access. Such materials, upon admission and enrollment are available for review only by the applicant. Third parties may not view the material. The student will not automatically be provided a copy of the recommendation information. The only intent of recommendation information is for the admission decision process.
