Rationale:

The main purpose of this agreement is to provide a smooth transfer of credit from a relevant Northcentral Technical College (NTC) two-year Associate Degree in IT – Web Designer to a four-year Bachelor of Science in Web Development degree at University of Wisconsin-Stevens Point (UWSP).

The NTC two-year curriculum, in providing students with solid foundational technical skills and project experiences in software development, corresponds appropriately with UW-Stevens Point foundational curriculum in web development.

The following equivalent credits will be awarded to NTC students upon entry to the UWSP College of Letters and Science, Web Development (major).

Terms of the Agreement:

       Effective date of the agreement: January 1, 2021

       Date the agreement will be reviewed/updated: January 1, 2026

1. The acceptance of credits applies only to this Program-to-Program articulation.
2. For acceptance of equivalent courses, NTC courses must have been completed within the last 5 years. Beyond this period, course equivalents will be assessed on an individual basis.
3. This agreement is subject to review if either NTC or UWSP undergoes curriculum revision OR within five years of the origination of this agreement, whichever occurs earlier.
