Medical Information
Teachers are responsible for the care and dispensing of student medications. A locked box and key will be provided to the designated teacher upon arrival for residential groups. Inhalers, bee sting medications, insulin syringes, and other medication used in the event of life-threatening situations must be carried by the student or the adult assigned to the student’s group. Persons holding a current certificate for the completion of the American Red Cross Community first-aid and safety course or equivalent and a current certificate for the completion of a course for adult, child and infant cardiopulmonary resuscitation/AED must be on-site during the visit. A CWES staff member will be available for day groups. Overnight groups must provide their own certified adult. This will be further addressed before your visit on your Program Planning Form.

Photographic/Video Release
I understand that the University of Wisconsin-Stevens Point and the Central Wisconsin Environmental Station may take photographs and/or videos of camp participants and activities. I agree that the University of Wisconsin-Stevens Point shall be the owner and may use such photos and/or videos relating to the promotion of future camps and programs. I relinquish all rights that I may claim in relation to the use of said photographs and/or videos.

CWES Facility Use Rules and Procedures for Visiting Groups:
I have received and reviewed the CWES Facility Use Rules and Procedures for Visiting Groups document, and understand the rules, policies, and procedures. I understand that it is the responsibility of me, the group leader, to orient these policies and procedures to all participants.
