

UWSP Clinical Education 2023 Updates

Presented by Steve Johnson DPT
Director of Clinical Education

University of Wisconsin
Stevens Point

Clinical Education - Updates 2023

University of Wisconsin
Stevens Point

Clinical Education - Updates 2023

- Program Updates
- CPI 3.0 Updates
- UWSP Clinical Education
 - Key Dates
 - Structure & Philosophy
- Questions

Program Updates - 2023

- ❑ Inaugural Cohort 33 Students
- ❑ Second Cohort Starting May 22nd

Program Updates - 2023

❑ Combined Lab /Peer Learning

- Students participate in an integrated lab setting
- Holistic Approach
- Case Based
- Instructor 1:1 time
8+ hours per term

Program Updates - 2023

☐ Competency Based Curriculum

- Required competencies provided at start of term
- Students test on competencies at own pace
- Case-Based guides in place to gauge progress

Program Updates - 2023

□ Integrated Clinical Practice

- Each didactic term (1-6) the students are placed in a clinical environment 2 hrs/wk
- Focused learning and chance to integrate skills learned in class
- Work in small peer groups for learning support

Program Updates - 2023

□ Integrated Clinical Practice

- Settings Include:
 - Ortho Outpatient
 - Primary Care Campus
 - Community Health
 - Digital/Telehealth
 - Workplace Health Promotion
- Goal is skill acquisition and retention for an entry-level PT

CPI Updates - 2023

- ❑ New CPI 3.0 !
- ❑ Significant changes to the tool
- ❑ Mandatory training

Professionalism: Ethical Practice							
Description: Practices according to the Code of Ethics for the Physical Therapist; demonstrates respect for self, the patient/client, and colleagues in all situations.							
Rating Scale	Beginning Performance	Advanced Beginner Performance	Intermediate Performance	Advanced Intermediate Performance	Entry-Level Performance	Beyond Entry-Level Performance	
	1	2	3	4	5	6	
Sample Behaviors (NOT an exhaustive list)	<ul style="list-style-type: none"> Acknowledges that there are ethical practice standards by which they should abide. Identifies obvious unethical behaviors that occur in the clinical setting. Identifies, acknowledges, and accepts responsibility for their actions. Maintains patient/client confidentiality. Engages in a polite and respectful manner with patients/clients and colleagues. 		<ul style="list-style-type: none"> Articulates most of the policies and procedures of their clinical practice setting (e.g., OSHA, HIPAA). Articulates most of the elements of the Code of Ethics for the Physical Therapist. Reports clinical errors without prompting from the CI. Gathers objective information to support questions regarding any potentially unethical behaviors observed in the clinical setting. Seeks advice from CI on how to address potentially unethical behaviors observed in the clinical setting. Seeks assistance with executing plans for addressing unethical behaviors. Devotes appropriate time and effort to meet patient/client needs; does not rush treatment session or intervention. 			<ul style="list-style-type: none"> Abides by the policies and procedures of the clinical practice setting (e.g., OSHA, HIPAA). Adheres to the elements of the Code of Ethics for the Physical Therapist. Consistently identifies unethical behaviors. Uses resources (e.g., hospital ethics committee) for addressing and resolving ethical conflicts. Recognizes the need and advocates for physical therapy services to underserved and underrepresented patient/client populations. Strives to provide patient/client services that go beyond expected standards of practice. Sets an example for other healthcare providers in their daily actions.

CPI Updates - 2023

- CPI Information & Resources (bottom):
<https://www.apta.org/for-educators/assessments/pt-cpi>
- Free APTA Training CPI 3.0 (requires creating APTA account if you do not already have one in order to complete the training):
https://learningcenter.apta.org/p/CPI-3_CI-SCCE
- APTA will phase out CPI 2.0 by the time UWSP students are in clinical education

Clinical Education Updates - 2023

UWSP Key Dates

- Clinical Internship I (May 14-August 23)
- Clinical Internship II (Sept 3 – Dec 12)

Expectations

- Students expected to function at Advanced Intermediate or better in most environments
- Students expected to achieve entry-level by completion of Clinical Internship II

Clinical Education Updates - 2023

☐ Structure & Philosophy

- Goal is to consistently match and place students with clinical partners
- One high acuity placement (Acute, SNF, Rehab Hospital, Home Health) & One ortho/outpatient
- At least one placement must be in a rural/rural adjacent environment
- Students prepared to learn in collaborative model (2:1)

Clinical Education Updates - 2023
