# CUT ENERGY COSTS TODAY PROTECT YOUR BUSINESS FOR TOMORROW

Staying competitive while keeping your operating expenses down can be a challenge. Fortunately, Focus on Energy has experts available to help your farm operation, school, or government facility stay on the cutting edge while reducing energy usage. Utilize our free resources and incentives to identify energy-saving opportunities, improve occupant comfort, and save money.

### Get Started Saving Today

Consult with your Energy Advisor (see map on back) to maximize your facility's energy efficiency strategy.

Utilize your Energy Efficiency Best Practices Guidebook for recommendations to reduce energy use and operating costs.

Work with registered Trade Allies to ensure you are selecting qualifying equipment that allows for the most energy savings.
