

ATTENTION STUDENTS

First Choice Tree Care, Inc. is accepting applications for *summer seasonal* arborist trainee positions at locations in Mosinee and Germantown. You will spend the summer as part of a team of awesome people, literally 'learning the ropes' of plant health care, tree pruning, tree removal, tree support systems, intro. to sales and consulting, and weekly safety meetings. You will have the opportunity to climb, use an aerial lift truck, and operate the machines that are common in arboriculture.

- Convenient location for students living in or near Stevens Point.
- Learn arboriculture from experienced, professional arborists.
- May be done as a 'for credit' internship, if you need the credits.
- Earn 3+ months of work experience toward your eligibility for *ISA Certified Arborist®* credential.
- Higher pay for 3.0 pesticide certification holders.
- Weekly housing reimbursement paid to transient employees: **\$125 per week.**
- Student employees are given preference for full-time positions!

Pay is \$14-17 per hour, based on the following criteria:

Base wage rate is **\$14** per hour

Add **\$2** per hour if you hold category 3.0 pesticide certification

Add **\$1** per hour if you already have your own personal tree climbing gear

If you have questions call or text 'Mark' at 715-340-5603.

To apply, email your resume to mark@firstchoicetreecare.com

**UWSP students attending Treehaven this summer: YES, we DO hire students for the half-summer to accommodate your course schedule!*
