

STUDENT ORGANIZATION

ALLIANCE OF NON-TRADITIONAL STUDENT SERVICES (ANTS)

ANTS is a vehicle for the social and intellectual interests of non-traditional students and as an advocate for their needs in the University community. The Alliance attempts to utilize the experience of its members to improve the University experience for all students and staff members.

Diversity and College Access
University of Wisconsin-Stevens Point

PROGRAM HIGHLIGHTS

ACADEMIC YEAR PROGRAMMING

WHAT WE PROVIDE

The primary mission of the Non-Traditional Student Services program (NTSS) is to improve the retention and graduation rates for non-traditional, commuter, and transfer students within the Diversity and College Access (DCA) department at the University of Wisconsin-Stevens Point (UWSP).

The NTSS program offers support, resources, and services for non-traditional, commuter, and transfer students by connecting these students to on and off campus resources to support students' success in their college journey. The program focuses on improving students' sense of belonging by providing a supportive and inclusive community with available resources through coaching, mentorship, social and engagement activities, and personal and professional development that promotes student success.

The NTSS program aims to support students who:

- Are 25 years or older
- Part-Time students
- Students with dependents
- Transfer Students
- Students who don't live on campus (commuters)

- 1 Peer Success Coach:** Peer Success Coaches are a peer mentor, who is a sophomore -senior level. They are available to meet with non-traditional, commuter, and transfer students throughout the semester to provide support and answer any questions.
- 2 Success Coach:** The NTSS program also has a Student Services Coordinator, who will serve as a DCA Success Coach. The DCA Success Coach will connect with students to on- and off campus resources to support their college success, and provide them with additional support for their personal, academic, and professional development.
- 3 Social and Community Engagement:** Planned social and engagement activities throughout the year to encourage campus connections and student success.
- 4 Other DCA Student Engagement:** DCA also has Centers for student engagement activities, which include the Multicultural Resource Center (MRC), Native American Center (NAC), Queer Resource Center (QRC), and the Student Success Center (SSC). The Centers also offer educational, social, and community engagement programs/events throughout the academic year.
