Sample Graduation Plan
Environmental Education and Interpretation (BS)
^Formal Education and Interpretation Track
& Early Childhood Education (Grades Birth-3rd) (BS)

This graduation plan illustrates the type of curriculum a new student would take to complete a dual degree in five years. **It is not meant to serve as an official document.** Students should contact their academic adviser or the CNR Student Success Center if they need assistance developing a personalized plan of study. Refer to the University Catalog for a complete list of requirements: <https://catalog.uwsp.edu/>.

^If you choose to add a second major in Early Childhood Education, you have the opportunity to earn both degrees and a teaching license in five years. Completing both degrees in a timely manner requires developing a detailed graduation plan during your first year. Contact the School of Education for more information regarding admissions and requirements.
